Reflections are memories of the heart,
 Things of joy that we set apart.
 Thoughts of happenings once adored
 Are forever in our minds-eye stored.

The games, the proms we will never forget;
 The pieces of programs and faded net.
 These high school years are so very dear,
 That reflections come back year after year.

SO WHAT?

TWO YEARS OLD

HIGH SCHOOL GRADUATE

DEDICATION

It is with great pleasure that we dedicate this 1969 Lycourgean to Mr. John Catalano, the new principal of West Covina High School. Although this is his first year as principal, he is not new to West Covina High. He was Director of Student Activities for one year and Boys' Vice Principal for ten years.

Mr. Catalano was born in Larkport, New York on November 18, 1929. He spent most of his childhood in Buffalo, New York. He graduated from Canisius High, a Jesuit Boys' School, in 1947. After graduation his family moved to California. He attended Loyola University where he received his B.S. Teaching Credential in 1961, and later his Masters Degree.

In 1952, John Catalano married Anita Pearson. They have five children ranging in age from five to fifteen. Their youngest child is John Paul, who is five and a carbon copy of his Dad. Next in line is Jean who is eight, Jim who is eleven, Anne who is fourteen and the oldest, Maria, who is fifteen and a sophomore at St. Lucy's.

In high school Mr. Catalano had his own dance band and still enjoys playing the piano. His favorite sports are skiing and sailing, and at home enjoys gourmet cooking. He taught Life Science, Biology and Social Studies at San Gabriel High School and Baldwin Park High School before coming to West Covina.

We all enjoy Mr. Catalano's friendly smile and pleasant hello as he mingles with the students on campus. He feels what you put into a thing so will you receive from it. We appreciate his enthusiasm about all of the activities—especially his Friday "Uniform of the Day", including his white tie with its blue W.C. on it.

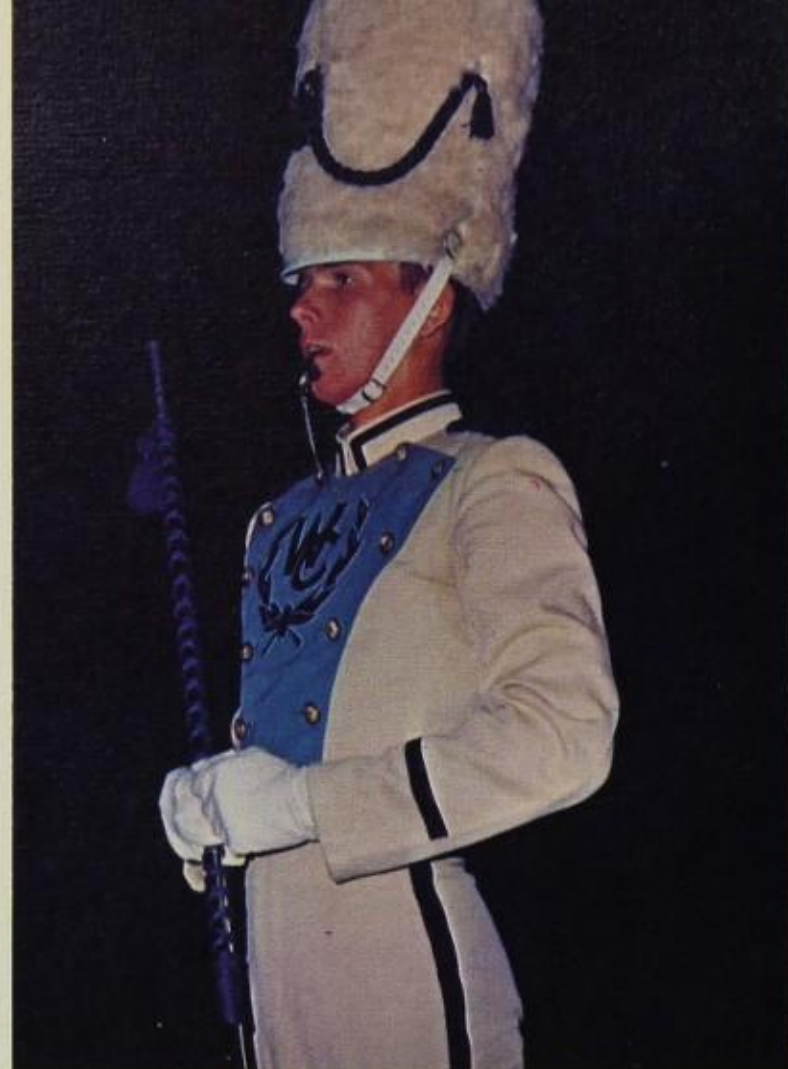

We thank you for being you, Mr. Catalano, and so dedicate this yearbook to you.

YEAH, I LIKE IT, I LIKE IT

OK, I'LL SEE WHAT I CAN DO

THE
WHITES
AND
BLUES

UP UP AND AWAY

As the road of life stretches
ahead of us, we all know that
we are the future, and

THE FUTURE IS OURS

TO THE SENIORS

Who came with a dream of what might be
to set this class apart in timeless history.
A little of themselves they've left behind
in empty halls and yearbooks signed.
And in return each has taken
a myriad of memories later to awaken.

Now these four years have swiftly gone.
they cannot look back, but must go on.
They've knowledge and wisdom from which to borrow
for ahead of them lies the challenge of tomorrow.
To this Senior Class

A FOND FAREWELL

We too say farewell
as we continue on our way.

The senior year is a busy one
As we are always on the run

Making plans for this and that
Hoping and praying they won't fall flat

First of all comes college plans
Quickly followed by many exams

Next we measure for cap and gown
And for senior pictures we never frown

As we look forward to the prom in May
our tux and formal we lay away

To get a job we have to be cleaver

And it really seems we are forever.....

*To one of the
biggest flirts I know.
Don't get into too much
mischievous in Canada. Keep your
bad moods to yourself and stay
cool. Maybe I'll run into you the
of these years. Good luck love
Robin*

FOR THE PROM

FOR TESTS

GETTING READY

FOR A JOB

FOR GRADUATION

FOR VACATION

WE WILL ALWAYS REMEMBER

ALMA MATER

Hail, all hail to thee West Covina!
We salute thee, win or lose.
Thy loyal sons shall always wear
The whites and the blues.

The shadows in the fall of those who walked the halls
And picnicked on the mall are held so dear.
The faces in our hearts of those who had to part.
Are memories that always shall be near. So - - We

Hail to thee, oh West Covina!
All ye stand! Ye old and new
And swear your pride in your school years.
Be tried and be true.

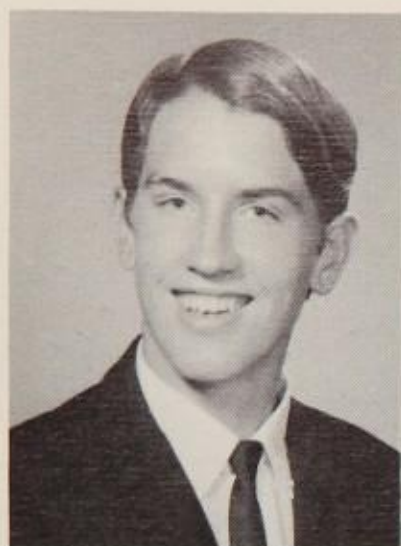

Sing to West Covina,
'Neath the orange and palm tree hue.
May we be near or far away.
Our hearts will be with you.

CAMPUS COLLAGE

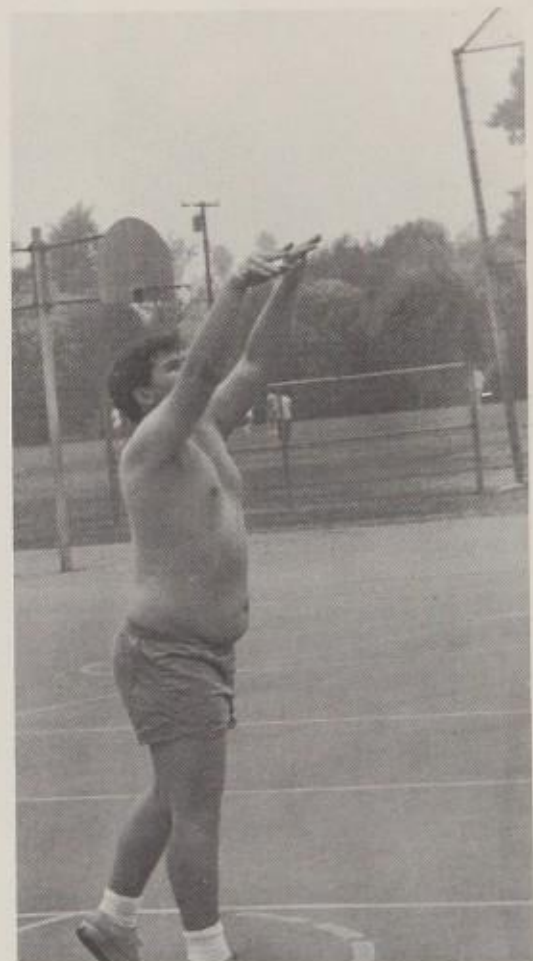

Aw C'mon take me out.

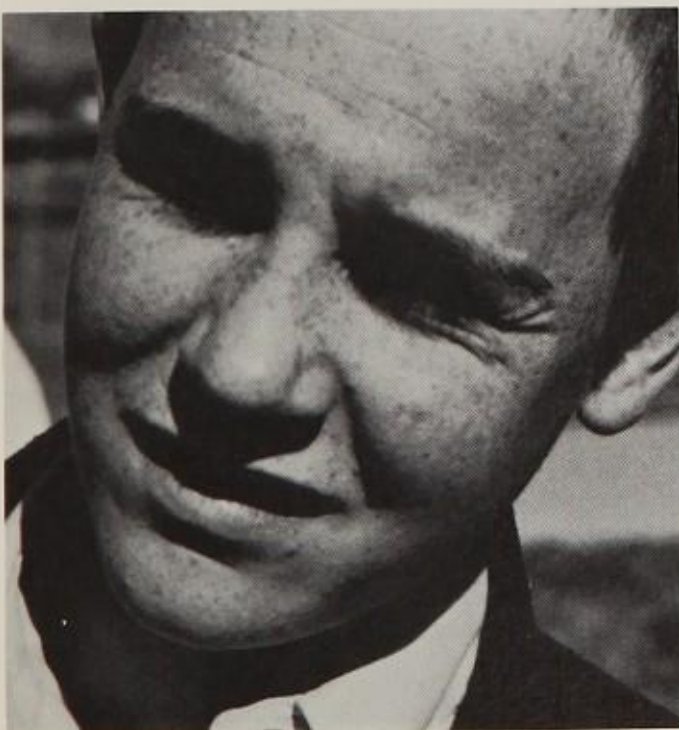

Who swiped our cars.

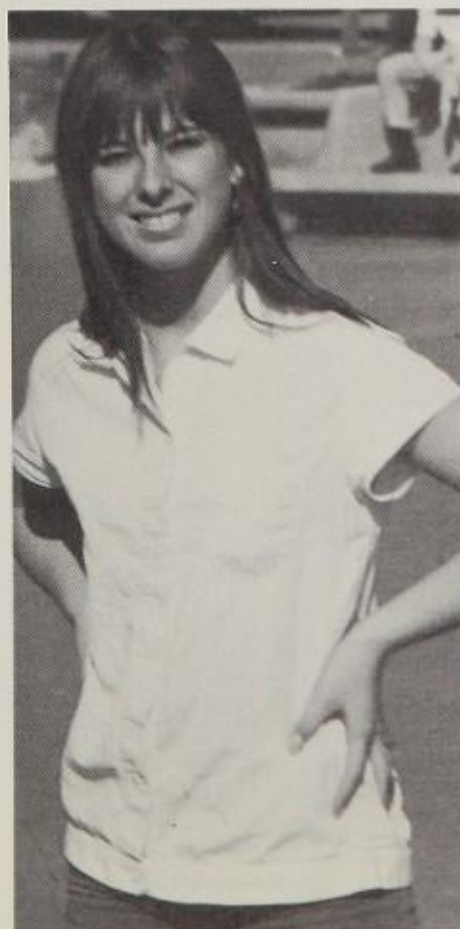

It's not that I don't like you, but you're a lousy dancer.

Who needs Metrecal.

I just love close ups--OF ME!!!

Who do you think you are ???

This is our best angle.

CAMPUS COLLAGE

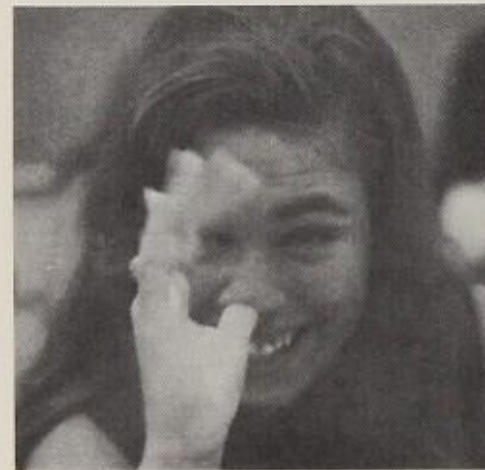

They went that a way —————>

I love my Frizbee.

Give me back my bike you fool!

Help! It's stuck!!

Juniors Rule!
No! Seniors Rule!
No! Juniors Rule!
No! Seniors Rule!

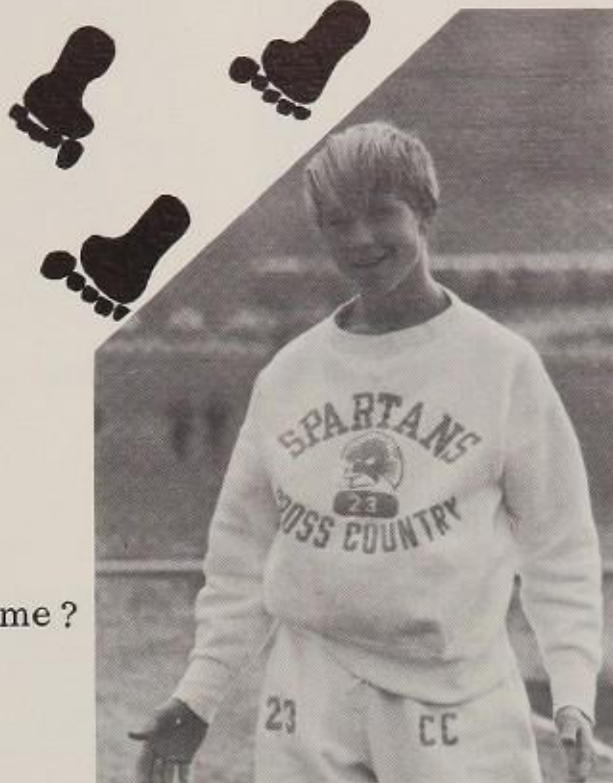

Why won't the girls date us?

CAMPUS COLLAGE

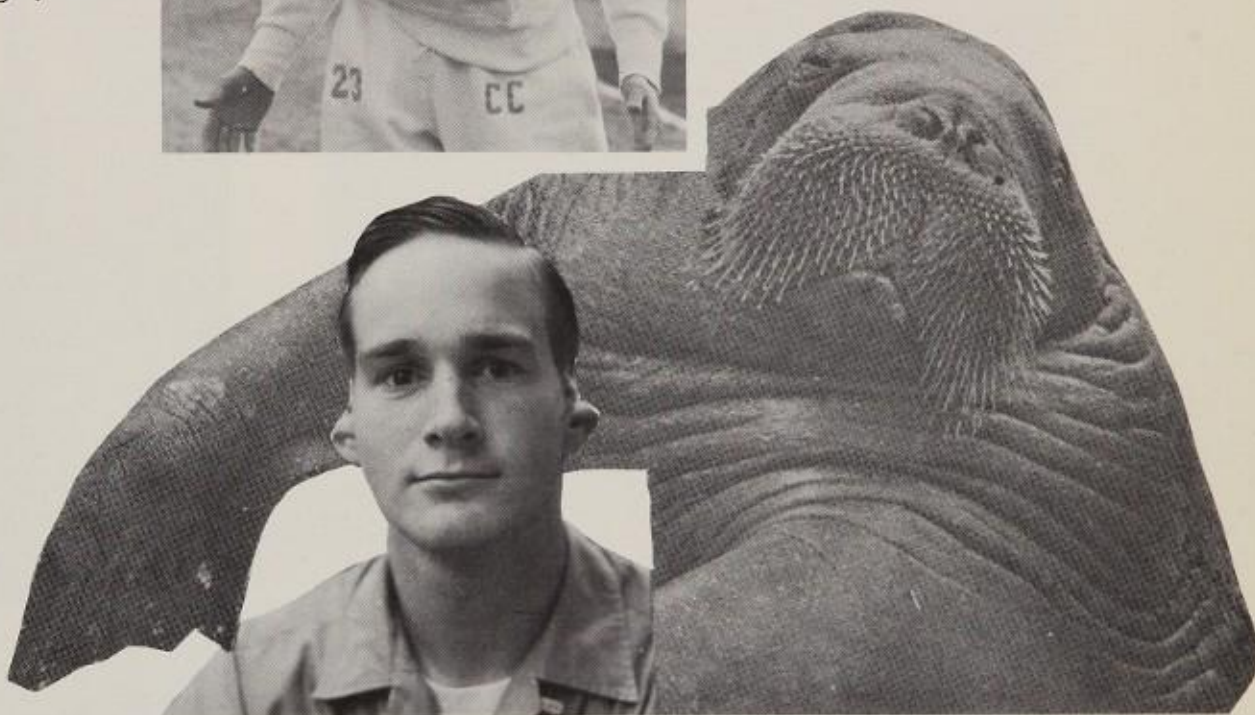

Who ordered the Pizza ???

Midriff bludge, me ?

I'll race you to the door.

Him and me, we're good buddies.

Take it quick!!!
I can't stay this way forever!!!

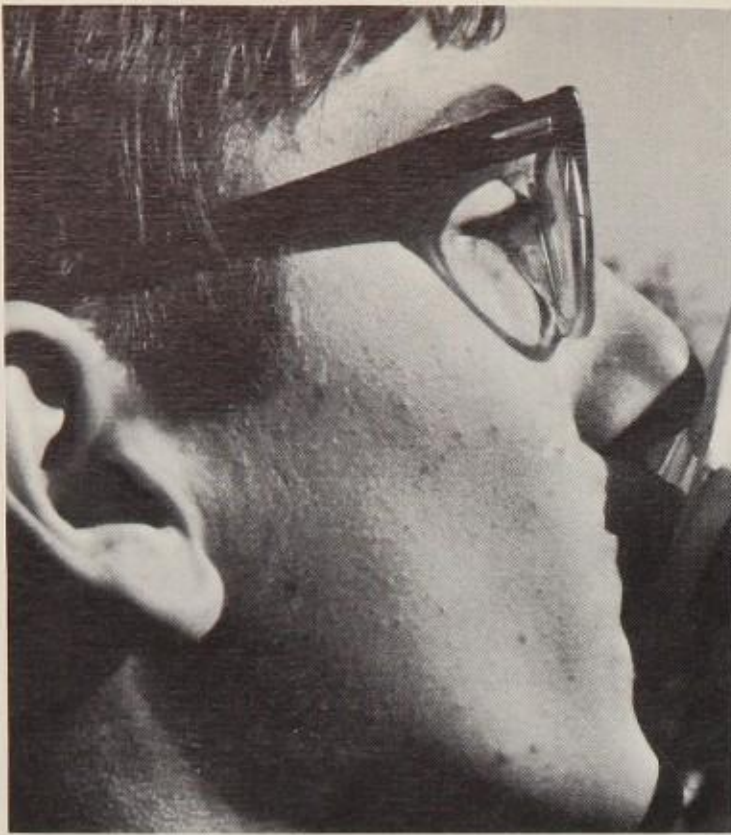

My tongue!! My tongue!!

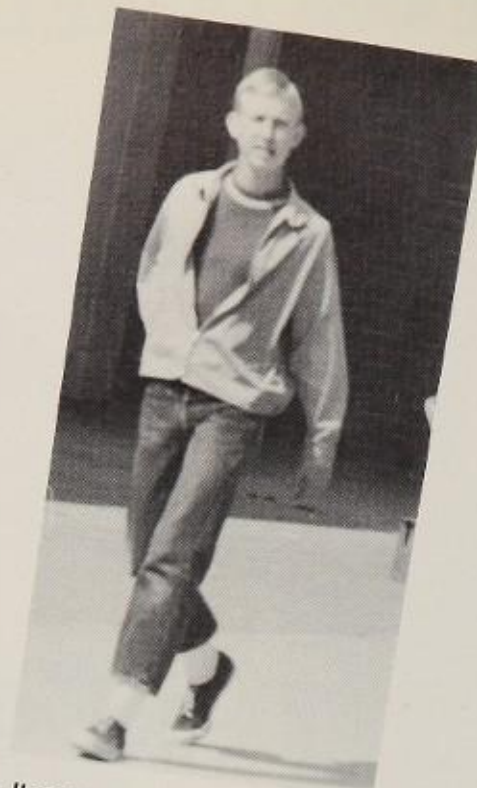

I told him what was in that bottle,
he just didn't believe me.

CAMPUS COLLAGE

Wtch the milk come out of my ears.

"Otis Tillery call 214"

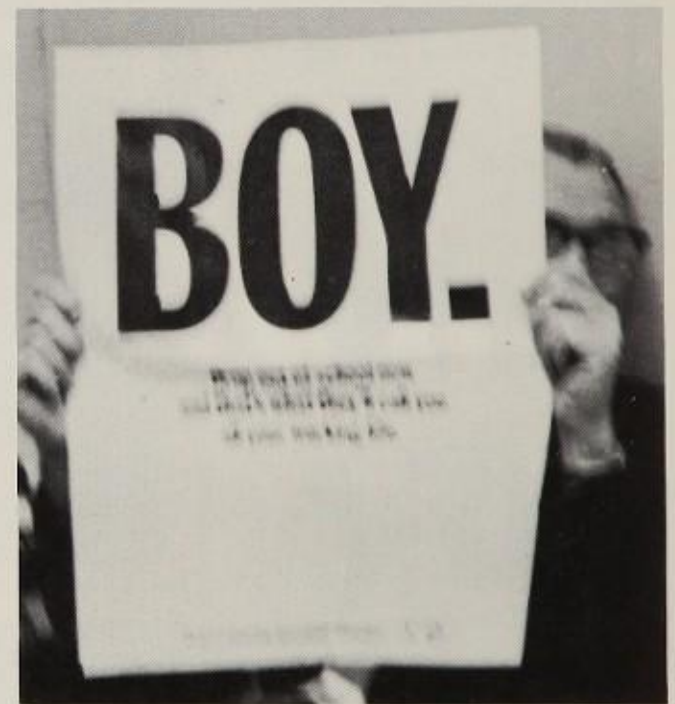

Well I will just take my toys and go home.

They started it!

That's the last time I'll ever talk back to that teacher.

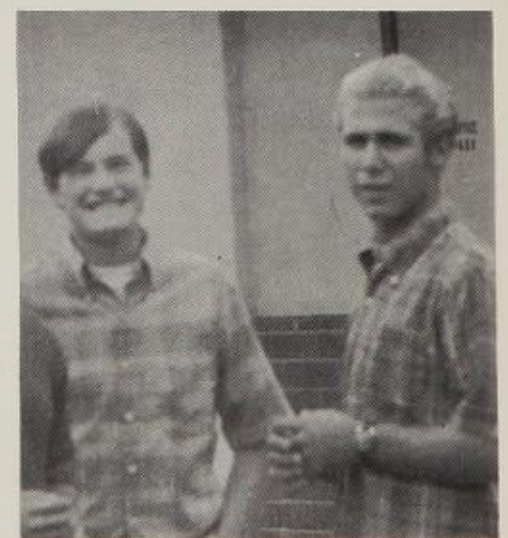

It's a new word I just learned.

I dreamt I took a walk in my

Which one of you stole the teachers toupee?

I use Vote!!

JUNIOR

A C T I O N

I got to get some sun glasses. This sun!

Little Jack Horner
Sat in the corner...

One more! Just one more!

She has hair polution, but don't tell her.

I like her...
She shared her coke
with me.

Our campus outlook scout.

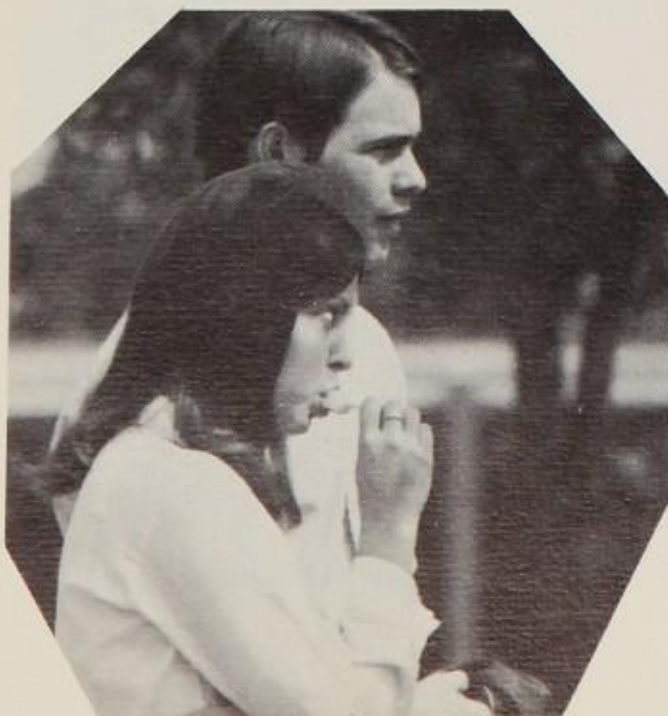

Take the side view. It's better.

Gee, I feel rather lightheaded today!

Hold on darling, here I come.

This is the last time you'll take me out to dinner!

J U N I O R A C T I O N

Don't pick your nose

Is it better if I sit like this?

Otis--we've got to stop meeting like this.

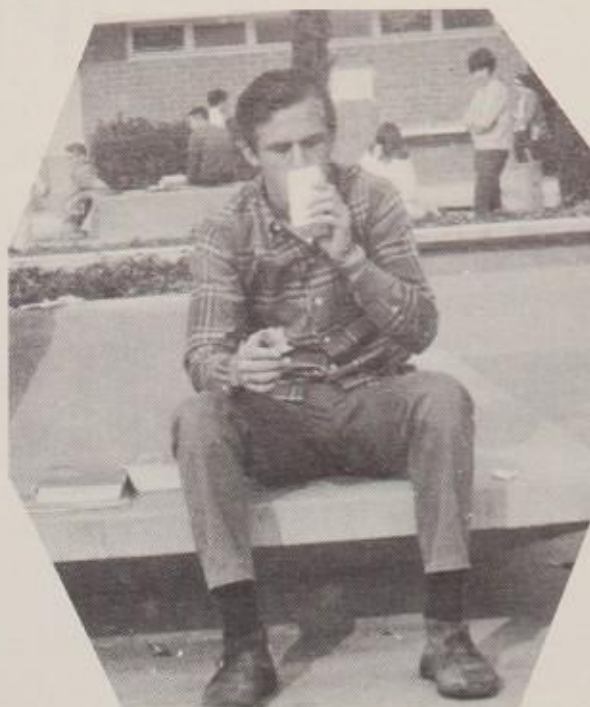

Twist my ear to turn me on!

Mrs. Opalenik will never believe me!!

He smeared my lipstick when he did that!

We gentlemen must watch how we sit

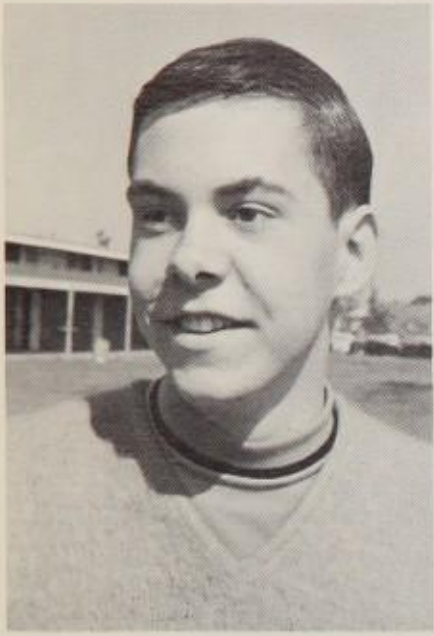

No--I'm not the flying nun!

SOPHOMORE

ACTION

I can't come out until
I find my pants !

Someone will pick me up !

If you only knew. . .

It is NOT too short !

This is as far as they'll go

Sorry--you're not my type

SOPHOMORE

ACTION

What do you mean, the ruffles tickle?

Don't laugh at my bod.

I'm the center of attention.

Whose feet stink?

I'm the editor of the underground paper.

Mommy won't like it.

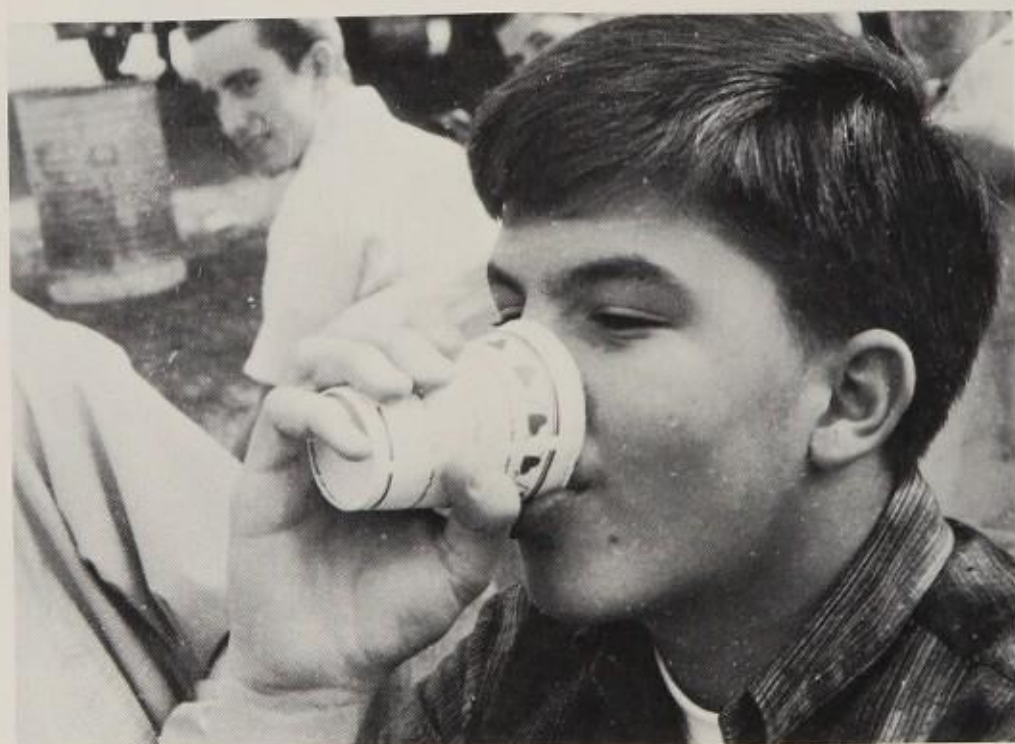

SOPHMORE

I shaved this morning.

It won't fit in my mouth.

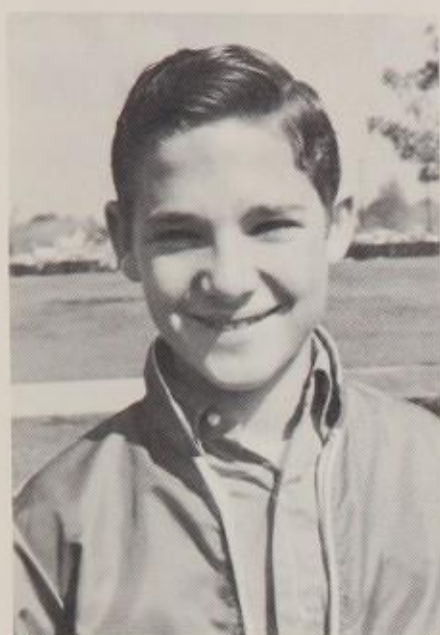

Get the Roloids.

Oh, these freshmen are punks.

VARSITY COACHES

Head Coach Mal Eaton enters his 20th year as a head football coach and Athletic Director. Coach Eaton has been at his present job since West Covina High began. Coach Eaton coaches the offensive and defensive backs and administers the entire football program at W.C.

Coach Tim Brancheau coaches the offensive and defensive ends. This is Coach Brancheau's fourth year on the varsity staff.

Coach Ralph Craig coaches the offensive centers and guards and the defensive tackles. Coach Craig is a former head coach from Lordsburg High School in New Mexico. This is Coach Craig's 7th year on the Varsity Staff.

Coach Larry Schrock coaches the offensive tackles and the defensive linebackers. Coach Schrock was the former Bee head coach who moved to the varsity staff over five years ago.

The yearmark of the 1968 Spartans was tough defense. In a 10 game schedule the Spartans yielded a 4.5 points per game leading the entire San Gabriel Valley in defense.

1968 was a great year for the fighting Spartan Varsity. Few people gave them a chance to repeat for the ninth time as league champions. A new C.I.F. record was born as West Covina set un-precidented 10 consecutive years in the C.I.F. playoffs. Under the guidance of Coach Mal Eaton and his staff of highly dedicated football coaches, the Spartans posted an amazing 10 year record of 82 wins, 8 losses, and 5 ties. 1968 marked the 10th Varsity football win since the inception of West Covina High School Varsity football in 1957. It was also a thrill to view former Spartan football greats in Major College football in 1968, a who's who list including Ken Skarg and Sandy Durko at U.S.C., Rick Perttula at U.C.L.A., Jay Allen and Mike Reinhard at Stanford, Ken Wiedeman and Bill Shinen

at U. California, Steve Wolfe, Dan O'Dell and Bob Mount at U. of Arizona, Chris Ritchey and Mike Forkert at Cal Poly, plus many others. Another first was West Covina's former great Bill Sabatino, who plays tackle for the Cleveland Browns in N.F.L. pro-football.

This year was the best overall record in West Covina's football history. Varsity and Junior Varsity took first in league, while the Bees and Cees missed the league title by one game.

West Covina is top in all sports---ten years of success proves it beyond a shadow of a doubt.

JUNIOR VARSITY LEAGUE CHAMPS

Coach Deckard

After the first two games of the season, it looked like it was going to be a long year. Our most difficult game of the year was the first league game with South Hills. We played well but two breaks for them almost cost us the game. We were fortunate to win. That was the beginning. A win does a number of things to a football team---in this case it restored or maybe exposed some confidence in the players. Whatever it was it remained the rest of the season. It was a great year because the squad was dedicated to purposeful football. It was the first time that a championship was given for the J.V. League and the team knew it and wanted it. It was a total team victory!!!

MANY PLAYERS MADE EXTRA EFFORT CLUB, WHICH IS FOR THOSE WHO DISPLAYED DUTIES

ABOVE AND BEYOND NORMAL DUTIES TO ENABLE A VICTORY.

came back and fought throughout the game with the offense scoring 2 touchdowns. In the closing minutes, W.C. had the ball and drove to the 7 yardline before time ran out.

6. W.C. then came back against a tough Los Altos team to win 34-21. Los Altos lead throughout the 1st half 21-20, but W.C. came back with 2 touchdowns and shut Los Altos in the 2nd half.

7. W.C. then traveled to Glendora and shut them out 14-0.

8. Going into the 8th week, W.C. being tied for 1st place, played Edgewood to a 13-13 tie.

9. Finally in the last game of the season, W.C. went out and blasted a good La Puente team 39-0. Everybody played a great game for West Covina.

This was a higher dedicated bunch of men who constantly worked hard to improve themselves. Their record was 7-1-1 with a 2nd place finish in the league.

This team scored 172 points offensively and shutout 6 opponents and allowed only 53 points to 3 opponents.

1. W.C. won Chino game 20-0 led by a determined defensive team who gave the ball to the offense many times. Chino only got a few 1st downs and never threatened to score.

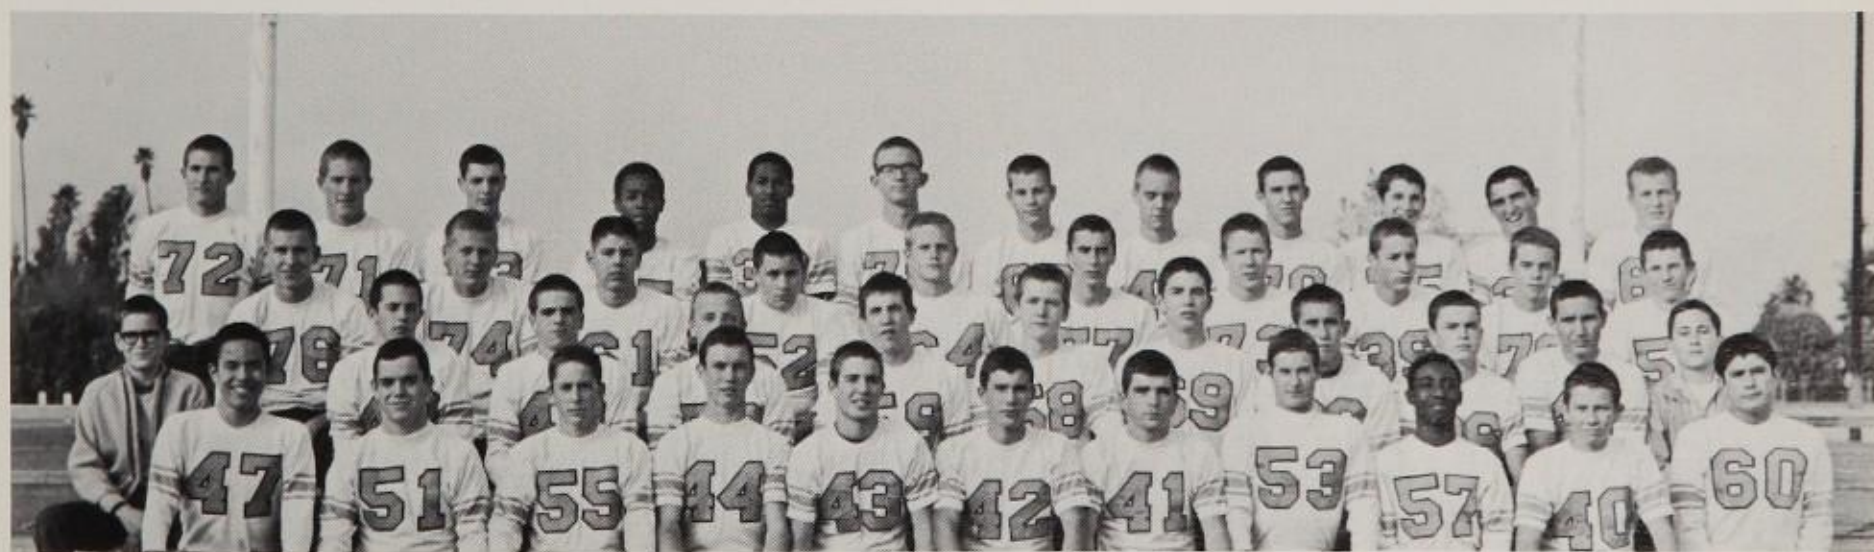

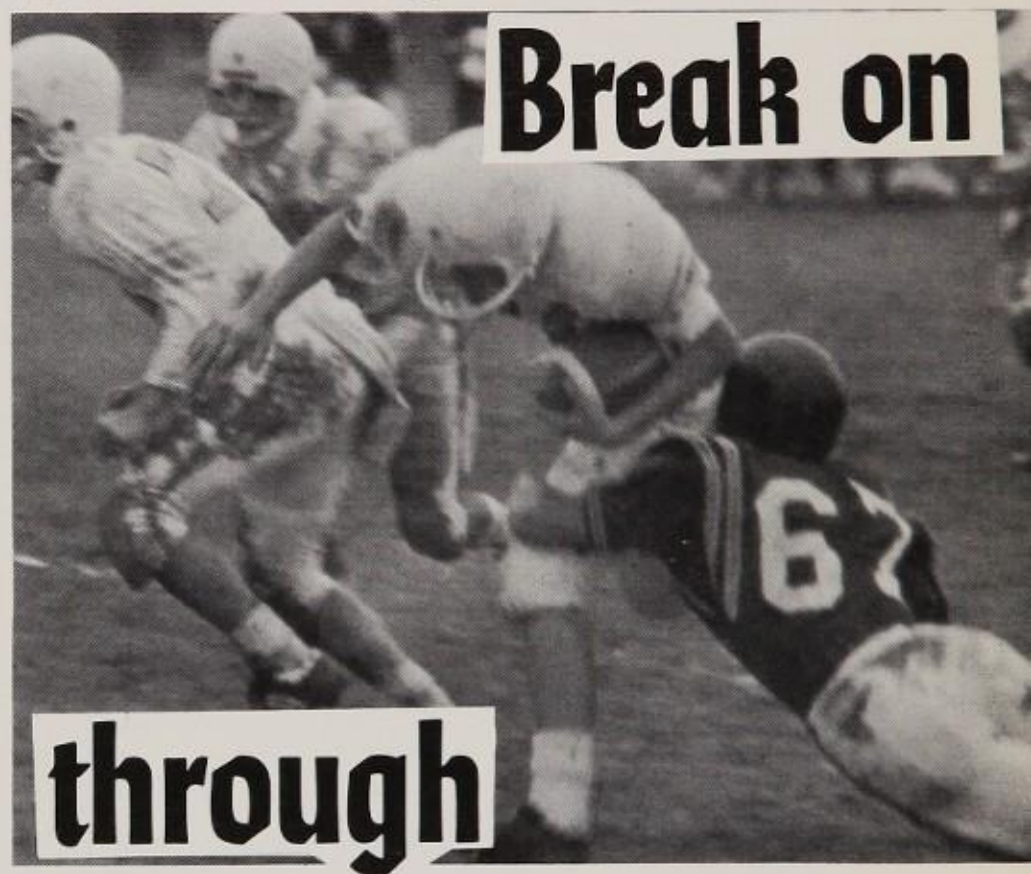

The offensive drove the ball down for 3 scores.

2. W.C. beat Arcadia 19-0 on the home ground with a vastly improved game by offense and defense.

3. W.C. beat South Hills 7-0 for 1st league win against a great team which was highly favored to win League. The offense drove the ball in the 2nd quarter on fine offensive moves. The defense played a great game putting up a goal line stand within the 10 yardline.

4. In the 4th week, W.C. shut out their 4th straight opponent 13-0.

5. In the 5th week, W.C. received their 1st defeat of the season by a 19-13 score. Covina scored on 1 drive and 2 long runs. But W.C.

CEE FOOTBALL

The 1968 W.C. Cee Football Team enjoyed one of its finest football seasons. Playing against stiff competition these young men played with the pride and heart that has been a tradition at West Covina High School. The makings of this fine team were first proved in their season opener against a rugged Arcadia team. Down 14-0, with 4 minutes to play in the game, these men, behind the running of Mark Biggers, and the running and passing of Q.B. Marvin Sechi, tied the game with 1:50 seconds left to play. Sechi, a perceptive runner and a good thrower, carried the club to victories throughout the season, with an average of 60 yards plus for a touchdown in each game. The consistent rushing of Mark Biggers kept the young Spartans in every game. The receiving of Tony Cuesta and Victor Munuz kept the opposing defense on their toes. Defensive play of Les Errot, Lorne Worthington, and Mark Zukowski, kept the opposing offense to less than 75 yards rushing and passing per game.

*Non-League Meets

The Varsity of 1968 after two pre-season defeats to Arcadia and Chino, redeemed themselves by accomplishing a 3 win - 3 loss league season. By virtue of their fifth place finish in the Sierra League Finals they assured themselves of fifth place in the final league standings. Nine athletes received letters. They were: Mark Aiassa, Dave Campos, Mike Mitchell, Rick Reece, Jerry Salazar, Tony Hernandez, Jack Heninger, Walter Mestas, and Jerry Eckelberger.

Mark Aiassa came on strong toward the end of the campaign and this effort was recognized by his teammates as they selected him as the outstanding runner of the season. His best time at Mt. Sac was 11:15, good for 2nd place in the Finals. This set a school record. Jerry Eckelberger captained the squad as he, Dave Campos, Tony Hernandez, and Mark Aiassa invariably led the Spartans.

The Frosh-Soph. team, in winning the Sierra League Championship (they won in 1965, too), with an excellent 8-0 record, were awarded 20 letters, five members of this team receiving Varsity awards because of their outstanding accomplishments. Those in the latter category were: Steve Dillon, Tom Spurney, Louie Mejia, Mike Grace, and Dave Razarin. Others receiving Frosh-Soph. awards were: Bill Reeder, Joey Gross, Eric Hansen, Jon Carter, Larry Salazar, Paul Kater, Steve Tisthammer, Sean Oliver, David Bletcher, Richard Hickey, Steve Goodman, Steve Page, Dave Pangburn, Dana Bergman, and David Rogers. Tom Spurney was selected to receive the Rotary award for this group, and he also captained the team in its fine effort. David Lazarin received a trophy from Rotary as representing the finest amongst the Freshmen. Ken Roberts served as manager, his second year, and he did a highly commendable job.

SPARTAN CAGERS

This year's team was perhaps the finest shooting team in the school's history. They shot nearly fifty percent for the season and this, of course, compares favorably with any other basketball team around. In addition to their fine shooting ability they demonstrated adept ball handling, hustle, desire to win, and good teamwork. They did, however, lack size and consequently could not always compete on the boards (rebounds) with taller opponents. This was probably the only thing that kept our team from being really outstanding.

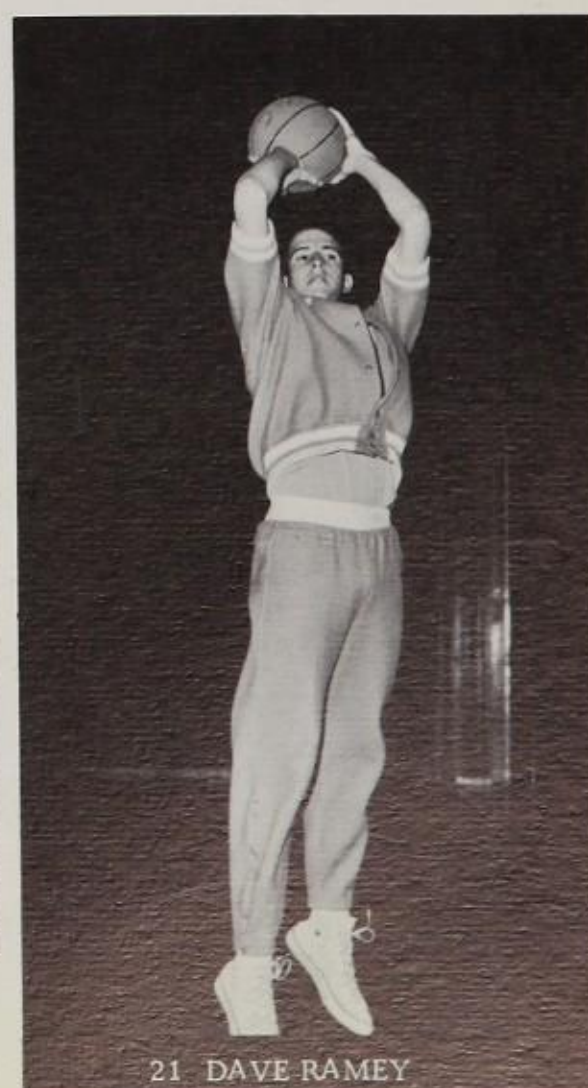

We finished third in the tough Sierra League, winning seven while losing five. We were the seventh place winner in the thirty-two team Covina Tournament, and had a respectable fifteen WIN AND TEN LOSS SEASON.

Team finished season with 11 wins, 11 losses. It was a young team which improved throughout the season. Brad Helmuth was the highest scorer and Jim Mathews was the most valuable player. Coach Schnieder taught the boys the basics of the game, through this the men gained the experience needed to play on Varsity next year. This years team has a lot of determination. The Bees started out the season very slowly by losing their first 5 ball games. They were up against overwhelming odds but fought valiantly losing 4 games but point spread of 1, 2, 3, and 8 points.

The Bees were in the running for 1st place right up and into the final game. But they ran into a hot-shooting Glendora team who finished up champs.

The Bees had many outstanding players. The Bees finished 3rd place, 1 game out of 1st place. In an outstanding season the Bees had no real outstanding star but a Teamful of dedicated, hardworking men who always fought hard to win.

This years Bee team was truly a team effort lead by Most Valuable Player John Verran & Team Captain Bob Jennings voted by the players.

COACH KOEL

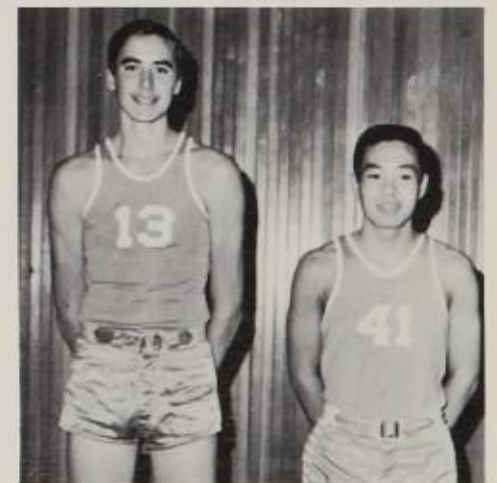

This year's Cee Basketball team did a fine job. Having an 8-wins, 4-loss record, they went on for third place in league. Bob Leavett, captain and Most Valuable Player, was highest in assists, rebounds, free throws, and steals. Another captain, Jim Henderson, did well in stealing, and his point average per game was exceptional. Other fine players were Tom Moon, Al Snyder, Charlie Pidancet, Glen McClane, and Russ Velasquez.

CAPTAINS-STEVE LIBRING AND MARVIN SECHI

After losing to Upland, the Frosh team decided to discipline themselves, to become a cohesive team. In doing this they won 13 games and lost 2. This led them to win the League Championship. One outstanding game was against Covina. The score was tied, 2 seconds remaining and Libring made a basket to win the game. One reason for such a fine job this year was because of the team work shown by the freshman team.

HARD HITTING

This year's J.V. Baseball team had one problem of not being consistant. But having great hitting and pitching abilities, tomorrow's Varsity worked hard and fought well toward league honors. The team as a whole spent much time and found it paid off in the end.

COACH AGATEP

The WCHS Frosh-Soph. Baseball team so far sports an undefeated record, winning all non-league games, and standing undefeated in league, with wins over La Puente and Covina. The pitching chores were handled by Victor Munoz, Bruce Mulligan, and Gregg Ramirez. Defensive standouts include Jeff Owens at third base, Marvin Sechi at short-stop, Steve Myer catching, and Danny Rose outfield. Providing the offensive punch have been Greg Gary and Brad Baymillor, along with Owens, Sechi, Mulligan, Munoz, and Myer.

Gymnastics

With continual outstanding performances from seniors Mark Stangeland, John Meyers and Jeff Chamlee and Jrs. Tim Miles and Steve Sexton, this year's gymnastics team won its opening meet and lost two practice meets by narrow margins.

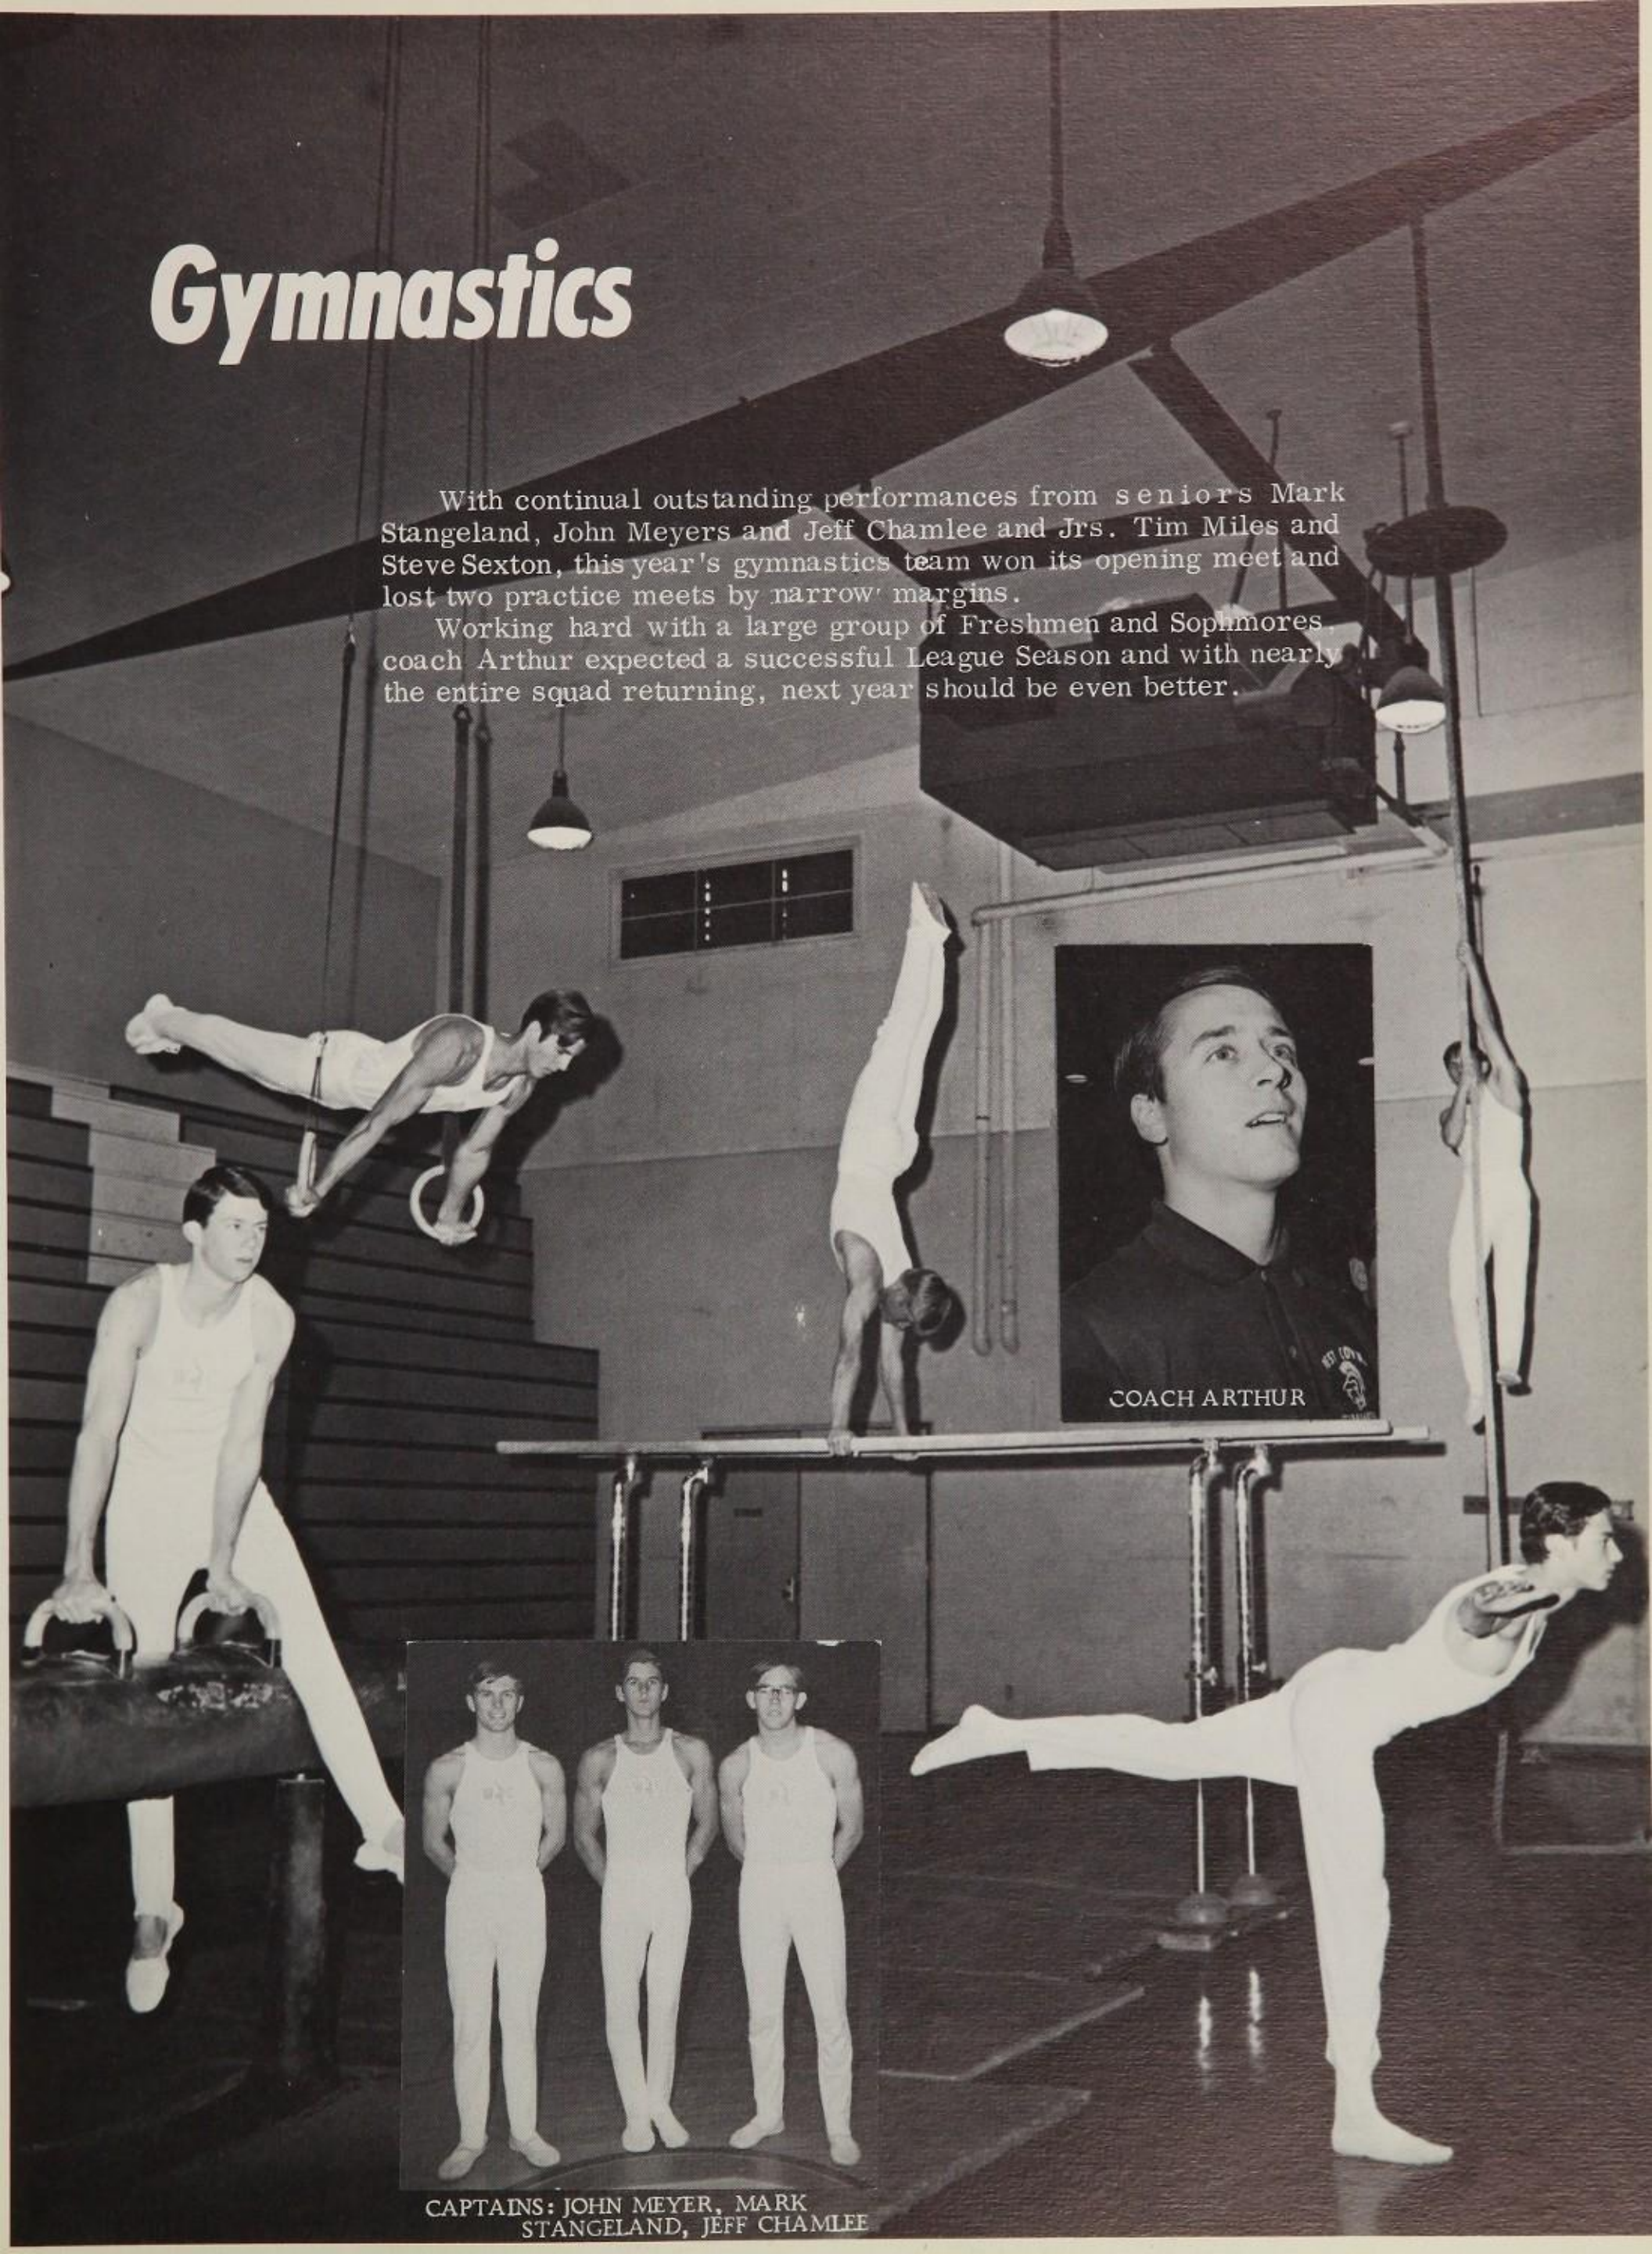

Working hard with a large group of Freshmen and Sophmores, coach Arthur expected a successful League Season and with nearly the entire squad returning, next year should be even better.

ACTION

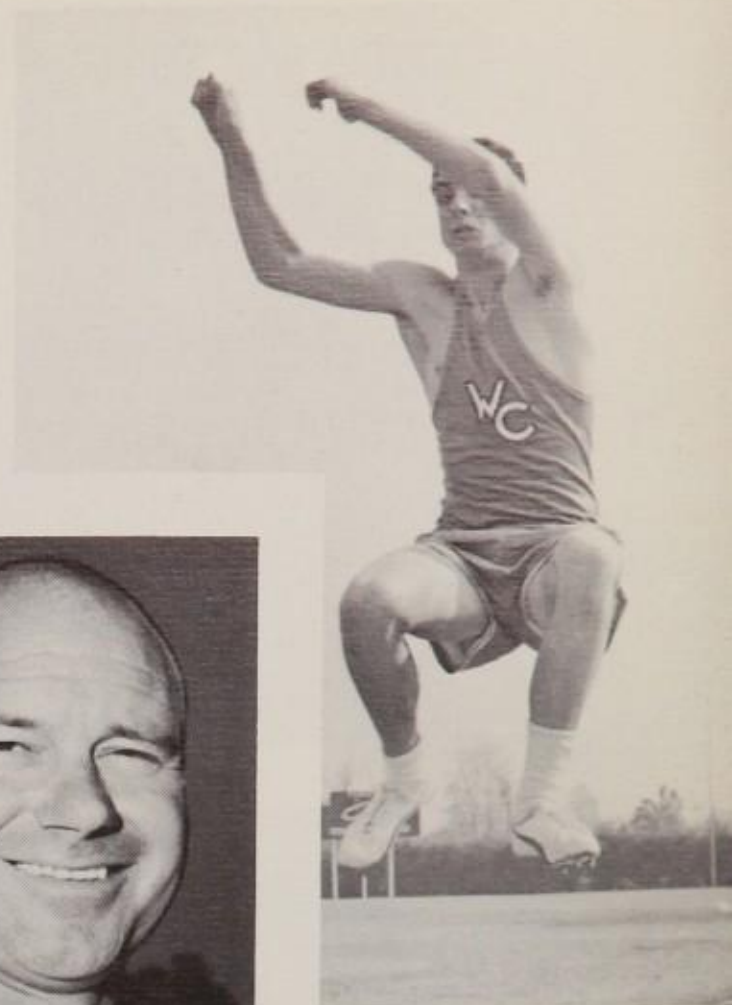

The 1969 Spartan track team was a team of desire, dedication, and consistent performance; a team with few stars but many men willing to pay the heavy price for victory. When the Lyke went to press the tracksters had compiled a string of 10 consecutive victories spanning a two-year period and was undefeated in the 1969 season, in all three divisions, A - B - C.

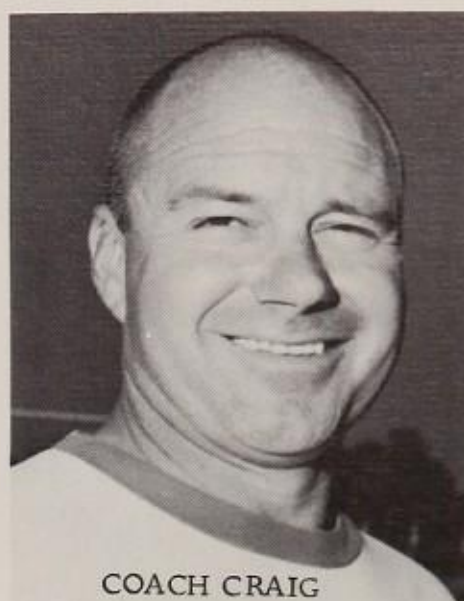

COACH BRANCHEAU

TRACK

The sprinters and hurdlers were spearheaded by Erick Wakshull in the 100 and 220 yard dashes, with times of 10.4 and 23.0 respectfully, and he also anchored the 440 Relay team. Kit Danison led the 120 High Hurdles with a respectable time of 15.0. Doug Todd bested the 180 yard low hurdles with a best performance of 20.5 seconds.

The field events and weight people were headed by captain Paul Dove with a very fine 51' in the shot put. Doug Todd long jumped 22'8" for a second best mark in the San Gabriel Valley, and one of the best in C.I.F. Brock Douglas pushed his Pole Vault mark to 12' and is pressing the school record.

COACH CRAIG

The middle and long distance runners were led by captain Mark Aiassa in the 2 mile and Junior Dave Campos and Sophomore Tom Spurnew in the one mile run. All three are pushing school records in their respective events. Craig Pearce and John Hughes held down the middle distance races and are consistent point winners.

LETTERMEN'S CLUB

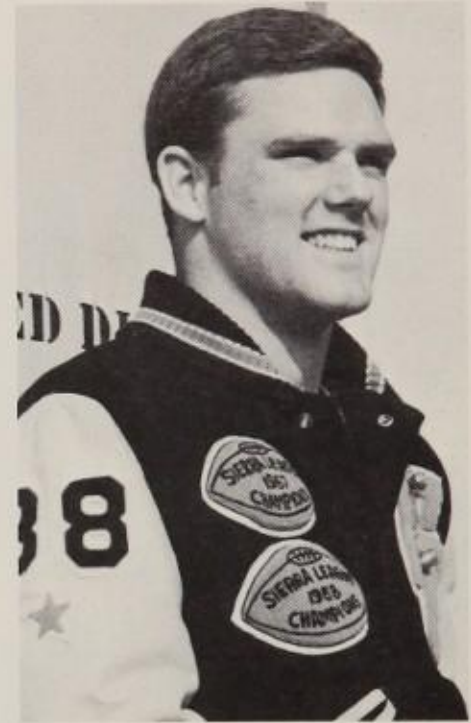

Advisor, Mal Eaton

Lettermen's Club is for the athletes at West Covina High who have lettered in a sport. They earn money by sponsoring the Faculty-Varsity Game with a dance afterwards. This money goes to help young men who have a desire to go out for a sport but cannot afford some of the expenses. Lettermen's Club also sponsors the Clean Campus Corp which has been very successful in keeping our campus clean and beautiful.

AMERICAN FIELD SERVICE

Jeanne Okura, foreign exchange student to Austria

In today's world the most important thing we have is understanding. To promote understanding between nations is the American Field Service. Governments may disagree, but people will always get along, and AFS is there to help.

The West Covina High School Chapter of AFS welcomed two guests this year. Ana Lucia Pitanguy represented Brazil's charm, and Giorgio Porcu displayed Italy's wit. From their native countries they brought their customs and ideals, something for Americans to learn about. Their experiences will never be forgotten, and they will always remember those who helped make their stay so wonderful.

Always ready to help Ana and Giorgio was AFS itself. From homesickness remedies to getting comfortable in their new homes, the duo relied on the large organization. AFS held events to raise money in order to welcome other foreign guests in coming years.

The world benefits by experiencing different cultures. Long may AFS wave!

OUR

FRIENDS

I waited one year and the answer came: I was selected as my country's representative to spend the whole year in California. What else could I wish? Disneyland, Hollywood, the sequoias, the desert, the mountains, and . . . the snow (I saw it here for the first time in my life!) A beautiful school, nice teachers, "tons" of friends, and the most wonderful family (I didn't have sisters in Brazil.) I always thought with optimism about this trip, so perhaps that's why my dream came true.

This year means more to me than just a year spent abroad: I learned a lot, not only school work, but about people and life, about myself, my future, and even my country; this experience was a challenge I accepted to prove to myself and my parents that I was able to put in practice what they taught me throughout the past years, and this is why I want to thank each of you so much. I will always remember your friendly and spontaneous "Hi!" every day, your help in whatever I needed, your funny curiosity about my country (we have much more than jungle!!) And the unforgettable Valentine's Ball, when you chose me as the new Queen made me the happiest girl in the world!

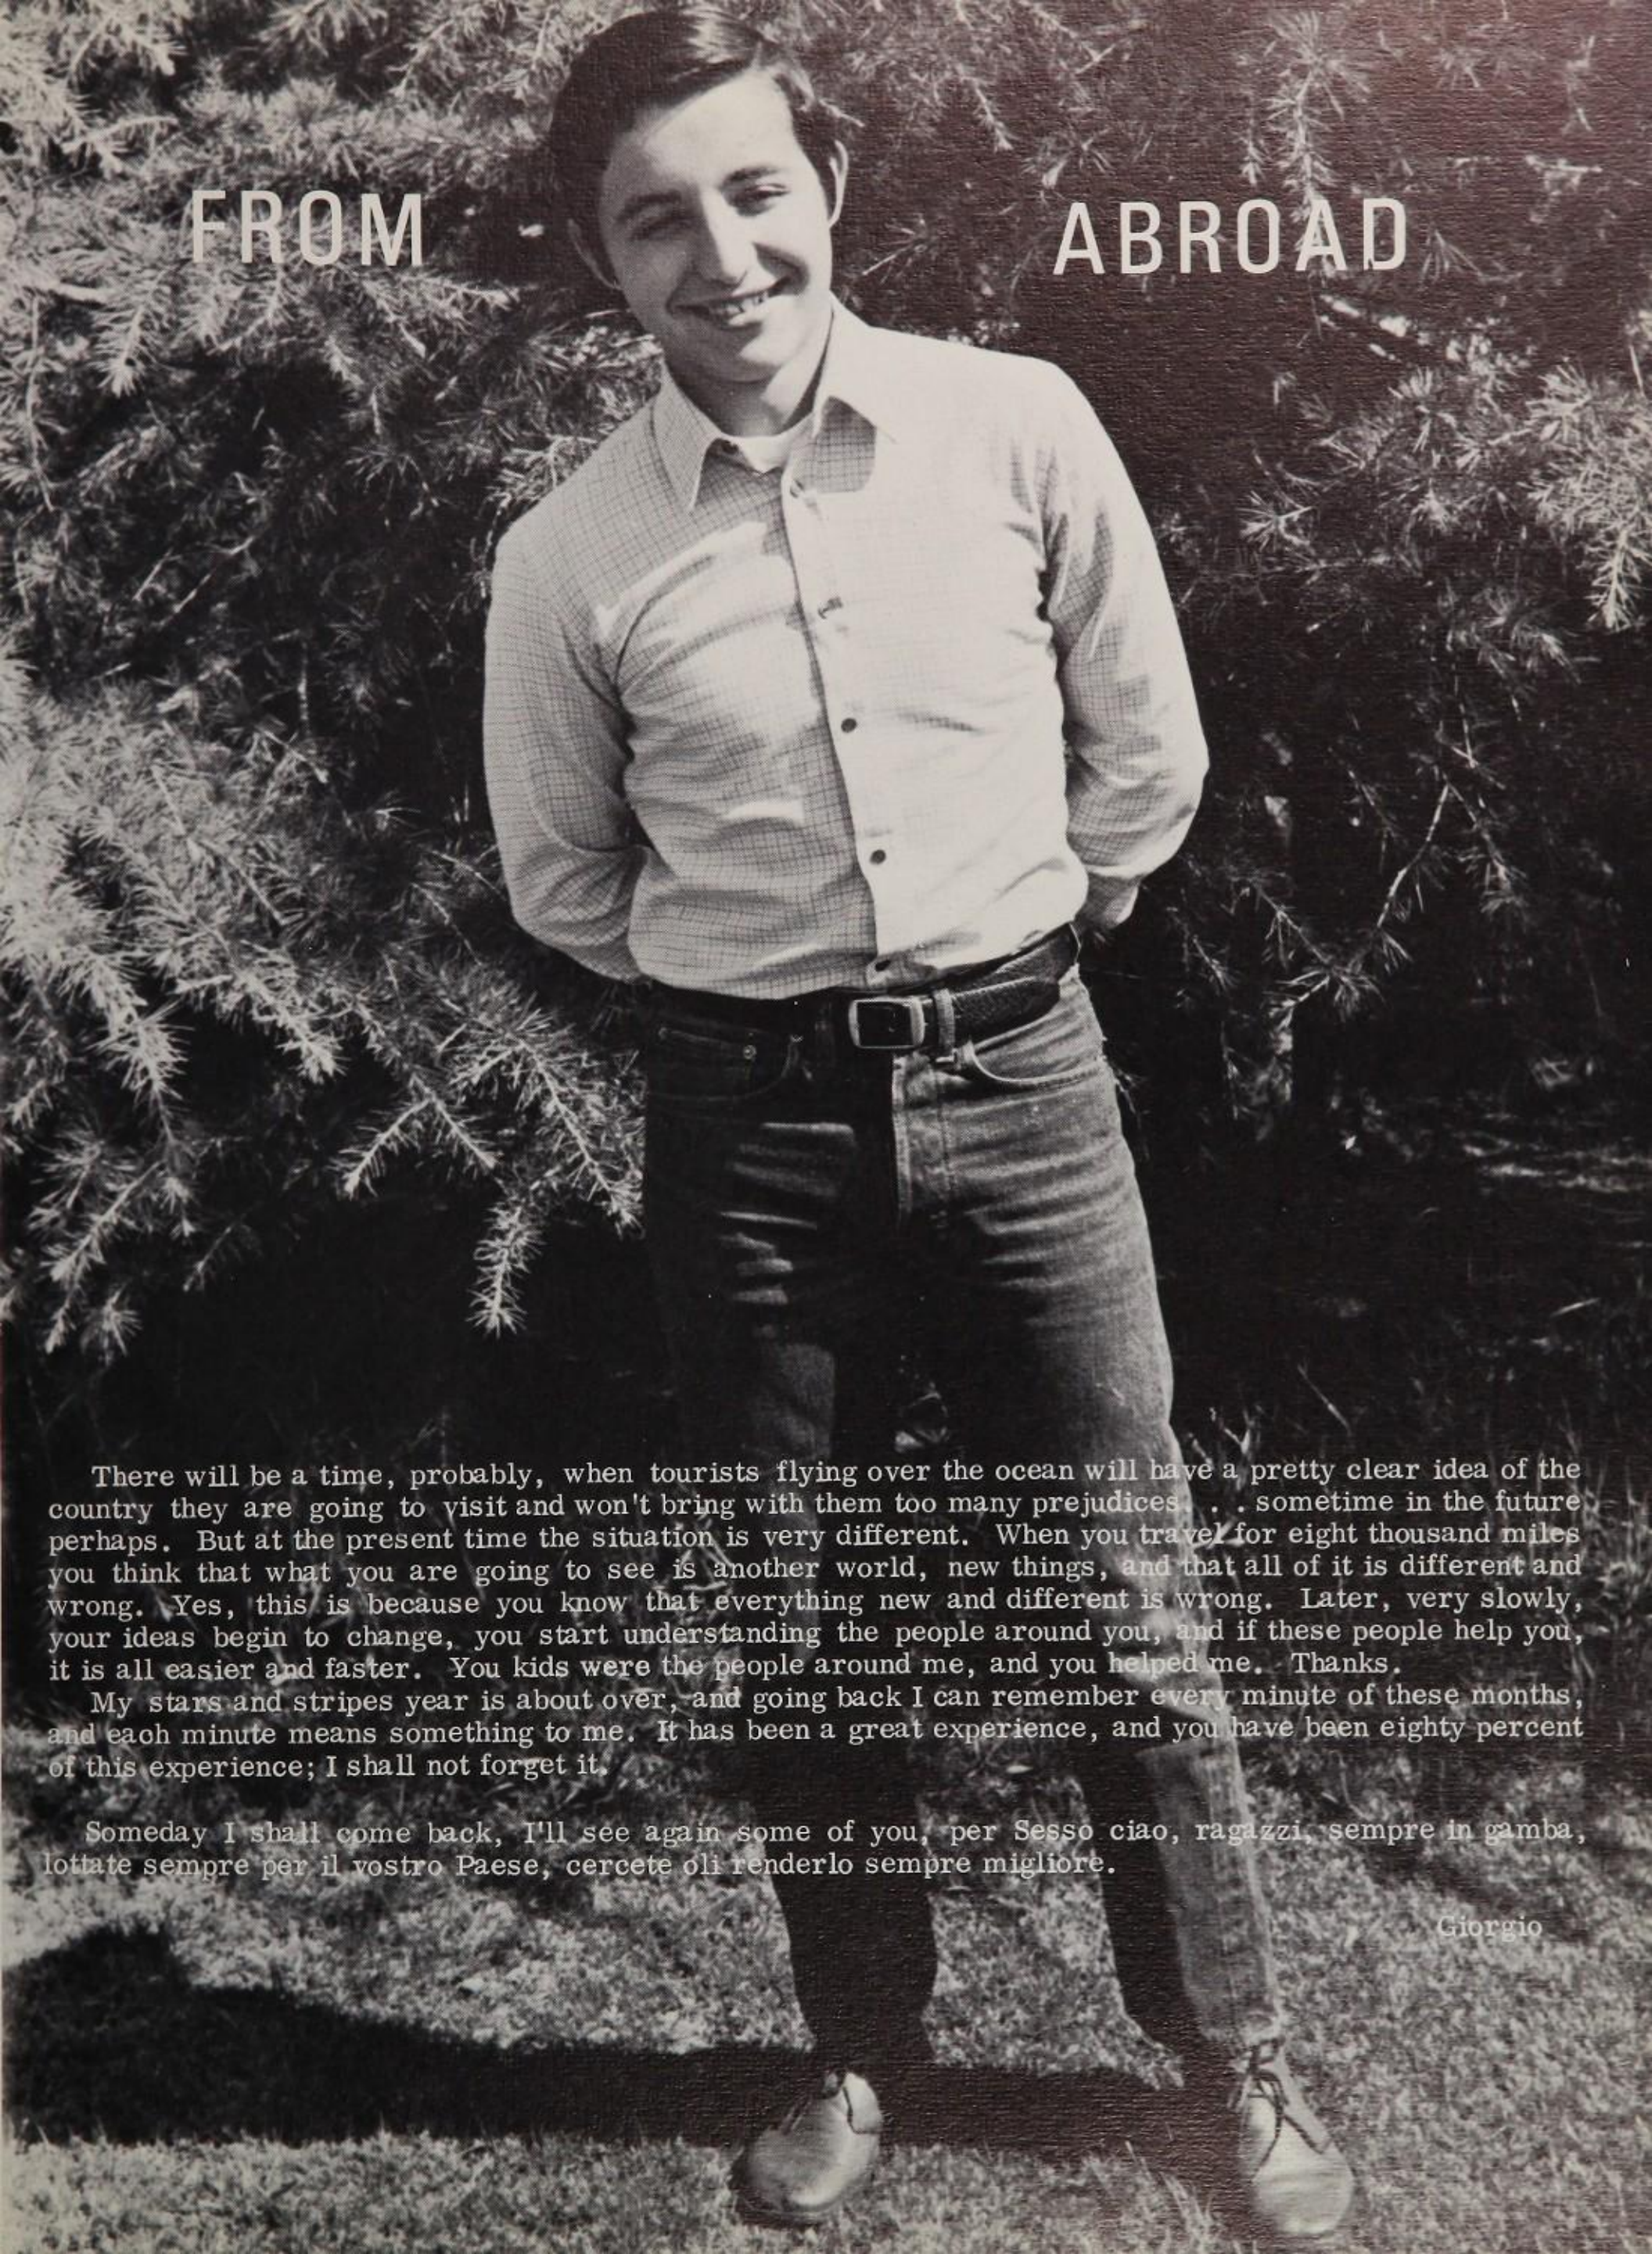

President Kennedy once said, ". . . I hope you go from here not merely as a friend but understanding our faults and our assets. . . We want your friendship, and I hope that you will be the seed which will build a better life for all our people." These words will be the impression I have about the American people and the impression I'll take to my country; and furthermore, a little knowledge of football (I only knew soccer), the English language, and a promise of continuing to be a proud Spartan!

I will wait for you in Brazil, when I will try to give you as wonderful an impression about my country and its people as you gave to me about yours.

Thank you very much for everything!

Adeus,

Anna Lucia Pitanguy

FROM

ABROAD

There will be a time, probably, when tourists flying over the ocean will have a pretty clear idea of the country they are going to visit and won't bring with them too many prejudices. . . sometime in the future perhaps. But at the present time the situation is very different. When you travel for eight thousand miles you think that what you are going to see is another world, new things, and that all of it is different and wrong. Yes, this is because you know that everything new and different is wrong. Later, very slowly, your ideas begin to change, you start understanding the people around you, and if these people help you, it is all easier and faster. You kids were the people around me, and you helped me. Thanks.

My stars and stripes year is about over, and going back I can remember every minute of these months, and each minute means something to me. It has been a great experience, and you have been eighty percent of this experience; I shall not forget it.

Someday I shall come back, I'll see again some of you, per Sesso ciao, ragazzi, sempre in gamba, lottate sempre per il vostro Paese, cercate oli renderlo sempre migliore.

DO YOU REMEMBER THE VALENTINES BALL?

Is this a dance?

"Cupid's Arrow Strikes Again", as the biggest turnout yet of the Valentine's Ball is accounted for. A rainy evening began the dance, but it closed with a happy ring as Queen Anna Pitanguy (foreign exchange student from Brazil) and King Alan Wright took their places. This is the first year a foreign exchange student has been queen. Anna and Alan's court consisted of Princess Barbara Bonham and Prince Giorgio Porcu (foreign exchange student from Italy), Princess Vicky Angier and Prince Gary Nesmith, Princess Michelene Finch and Prince Gary Lombardi, Princess Terry Hunnell and Prince Bob Fast, and completing the court is Princess Holly Hamilton and Prince Steve Nelson.

Among the activities of the ball, pictures of the couples were taken, and they were also "Married" for the evening by Justice of the Peace, Mr. Deckard. The date of this event was February 15, 1969, and it was held at the Monrovia Women's Club.

The main social event of the school year is the long-awaited Junior-Senior Prom. It was held at the Alta-dena Country Club on May 3, 1969.

It was, as in the past, a wonderful affair with the girls glowing happily in their lovely gowns of satin and lace and the boys so handsome in their tux. To the soft strains of "Three Coins in the Fountain" they glided around the ballroom floor.

At the stroke of eleven the breathless moment arrived the crowning of the Queen of the Prom. As everyone waited in silence the princesses were announced, and then the name of the Queen, Patti Callis amid applause and congratulations she came forward to accept the honor and the crown.

The crowning of the queen is always the perfect ending to a wonderful evening.

JUNIOR-SENIOR WEEK

The famous "Junior-Senior Tug-of-wars" were the first feature of West Covina High School's Junior-Senior Week. The famous confrontation was held at the West Covina mud pits. Because of a minor disturbance, only three contests were possible. The underdog Junior women beat the Senior girls twice, while the Senior boys beat the Junior men once.

The tricycle races provided racing fans with suspense and excitement. Junior meet problems along with good Senior material enabled the Seniors to win every race.

SPIRIT WEEK

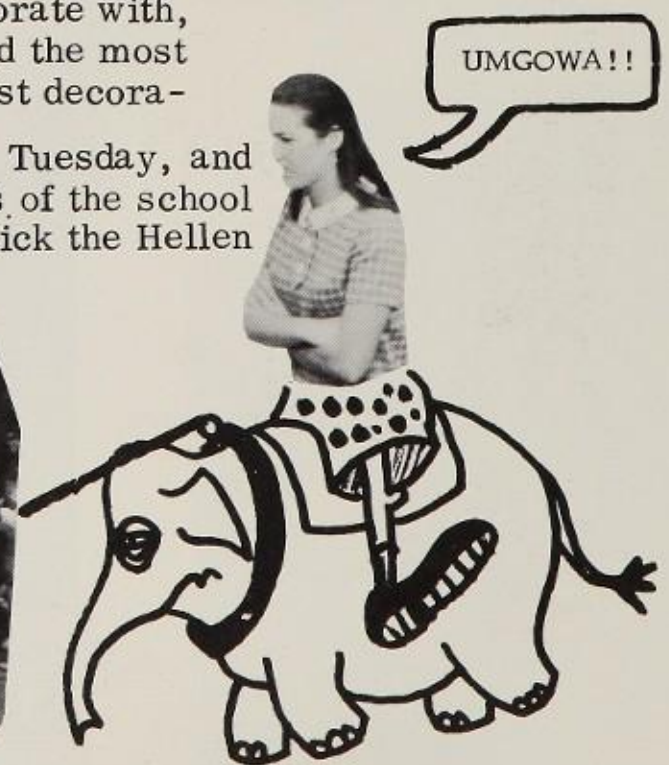

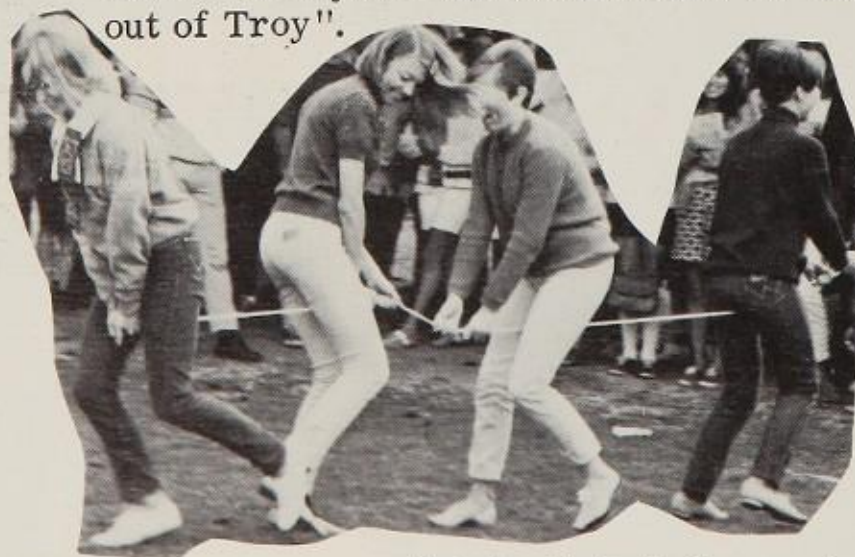

Spartan spirit seemed remarkably high during this year's football season. The gridiron champs in the relatively new league had an entire student body behind them. Sparta's arch enemy is its cross-town rival, Edgewood, and the week of this game was designated "Spirit Week." The traditional event was sponsored by Fidelitas.

Banners, balloons, bicycles, bermudas, bands, battles, and blue-and-white decorations highlighted the week as classes clashed in competition with one another. Freshmen launched the activities with their sucker sale, and Girls League sold green Trojan voo-doo dolls.

Volkswagens were parked in front of the gym and classes were given 500 balloons to stuff, paper to decorate with, and a ten-minute time limit. Seniors claimed the most balloons, while the sophomores featured best decorations.

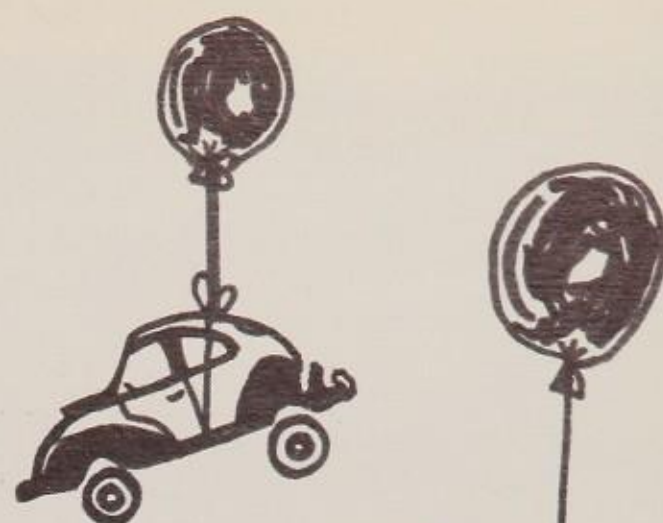

Decorations smothered the campus Tuesday, and there was a huge pep rally with members of the school band. Everyone was determined to "Kick the Hellen out of Troy".

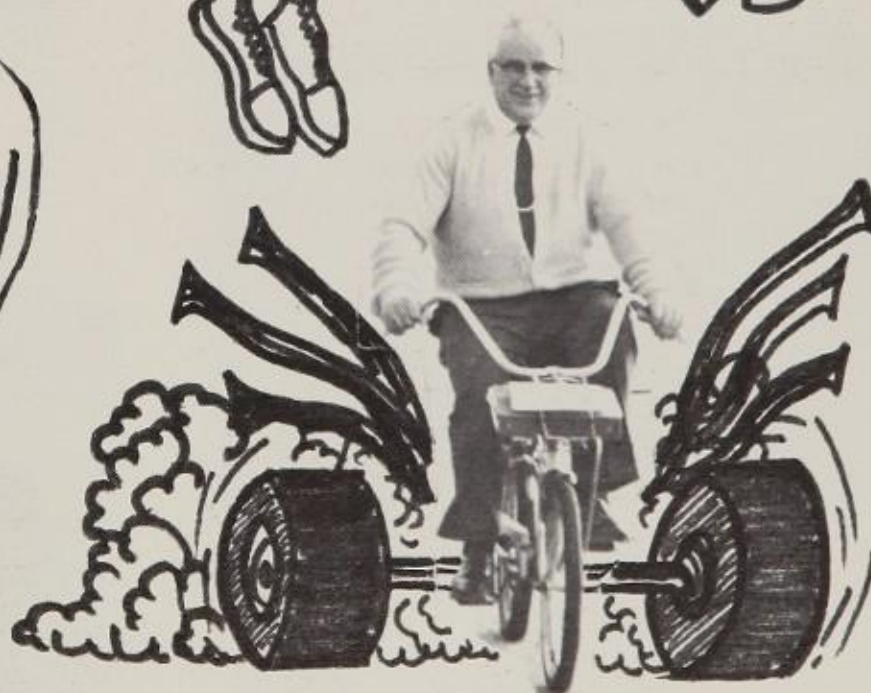

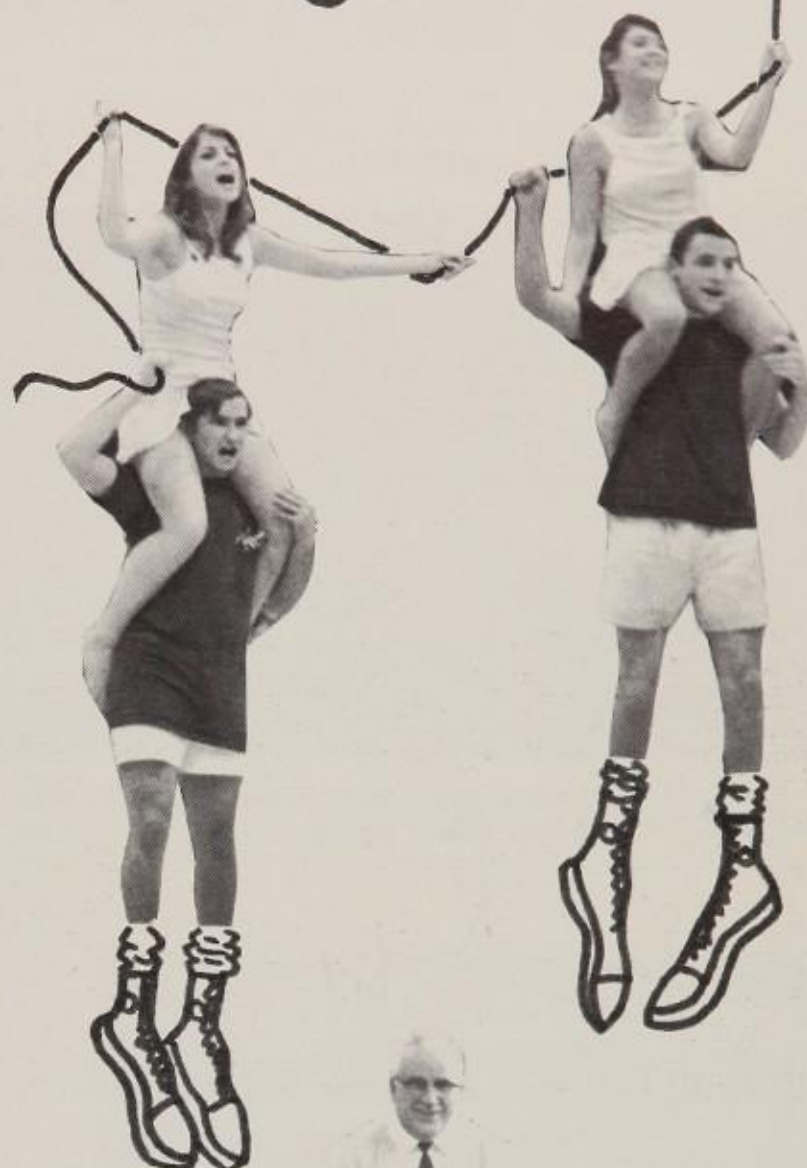

Spartans clad in bermudas participated in Wednesday's four-man rope race. In the two competition heats, juniors and seniors both came out victorious.

Everything happened Friday! The entire school band paraded through the mall during nutrition, while cheerleaders kept spirits high for the giant rally. Class cheerleaders and a special Spirit Court (made up of men teachers) entertained the loyal Spartans. Concluding the rally, the JUNIORS were named "most spirited class".

Just before the game, Silhouettes held a pre-game dinner. After the 14-7 Spartan victory, Juniors celebrated with a soc hop.

THE ALL GIRL SLUMBER PARTY

Your pillow? Here!!

Who says blondes have more fun??

Food, games, singing, and a movie kept over 200 girls busy from 10:00 at night until 6:00 the next morning.

At 10:00 the many girls poured into the gym, lugging sleeping bags, pillows, guitars, radios, and games. The first hour was set aside for everybody to get settled and get their sacks-o'-goodies. Most of the girls spent the following few hours singing, playing volleyball, practicing stunts on the tumbling mats, and, of course, chattering. At midnight these activities continued as pizza and cokes were served.

Following these activities the girls flopped down on sleeping bags to watch cartoons and Glass Bottom Boat, starring Doris Day. By 4:00 many girls had sacked out, exhausted from a full day's and night's activities, 3 pieces of pizza, candy, and 2 cokes. At 5:00, those girls still awake were served hot cocoa and doughnuts. 6:00 marked the hour of departure, and most everyone agreed that the night wasn't really so long after all!

And the winner is... Darrel Trzeciak?!

Bottoms up!

And a one and a two...

And for my nex...hey, where'd everybody go?

A dime! A dime!

R-R-I-I-P-P!!

Sure I can stay up la.....

2 FRESHMEN--Terry Porter, Dale Cochran

Laughter rocked the cafeteria during the Thespian's delightful presentation of "Take Her, She's Mine." The All-School Play ran for three evenings to near capacity crowds on March 6, 7 and 8.

The play centered around the misadventures of a girl (played superbly by Joan Fisher) away for the first few years of college. Her typical worrying father (Earl Saunders) stole the show in his escapades to prevent thinking about his dear, departed daughter.

The play was directed by drama coach Sharon Crites, and featured split stages and numerous sound effects. The hilarious dialogue and the sparkling performances meant an entertaining evening for all involved.

From the hippie coffee house to the bustling airport, "Take Her, She's Mine" was a grand production. Besides Earl and Joan, Doug Mills as Emmett, Jola Hardin as Sarah, and Don Jenny as Mr. Hibbetts put forth excellent character portrayals.

The audience left the cafeteria saying: " 'Take Her,' it's fine! "

HELLO WEEK

Traditionally at WCHS the first week of school in September is titled, 'Hello Week'. The purpose of Hello Week is to give the students a chance to get acquainted. Students wear 'Hello' tags with their names written on them. The climax of the week is the Hello Hop on Friday where the friendliest couple of each class is crowned Mr. and Miss Hello.

SPARTAN SHIELD

STEVE SILVERMAN, Editor

JEFF BAKER, Editor

MRS. SCHNEIDEWIND, Advisor

Just as the sun shined over the West Covina Campus, the SPARTAN SHIELD flag shined over the students. Both the sun and the SHIELD enlightened students. The award-winning newspaper has the distinction of being one of the few school newspapers published every week.

These weekly deadlines caused a lot of wear and tear on the "lucky thirteen" member staff, but the group always published its product proudly.

Steve Silverman, as editor, handled second semester editions, especially the Christmas and Senior issues. His "Silvermania" column was also being published in the "Tribune," and combined with his SHIELD duties, Steve kept busy.

First semester editor Jeff Baker was responsible for indoctrinating the relatively-new staff and editing the first half of the year's papers. All of Jeff's work helped toward his future in journalism.

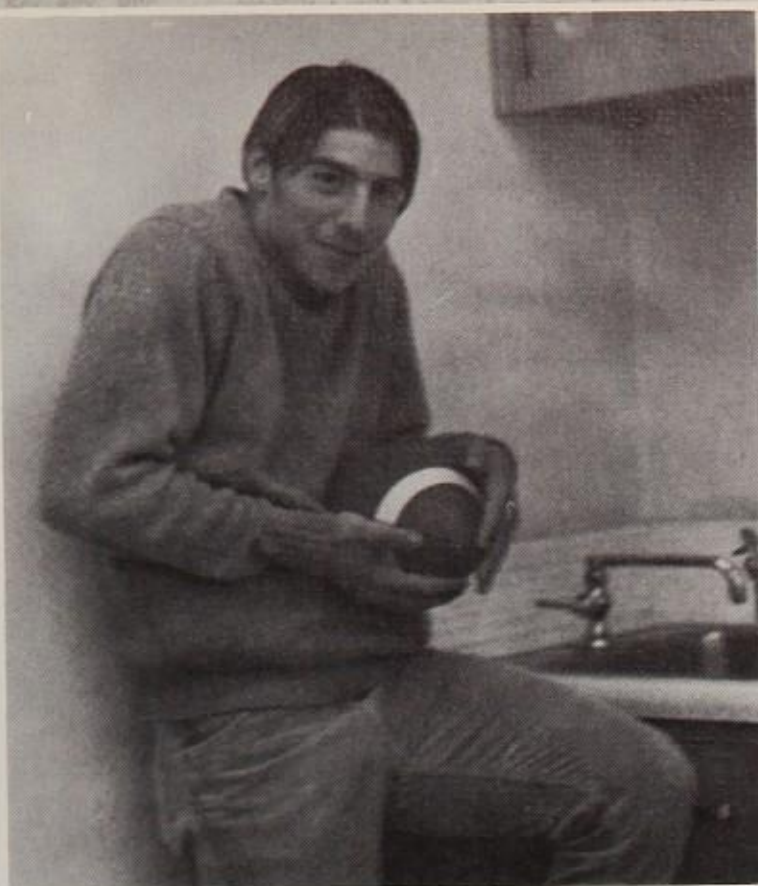

Spartans were kept up to date on sports thanks to sports editor Greg Callow. He had complete control over the paper's athletic department.

Business manager Laurie Mapes was assisted by Riley Selstad. Together they handled the SHIELD's advertisements.

Artist Carmen Berry was always ready to do an art spot. She did a beautiful job on the Christmas issue cover.

Pam Pappas, Sherry Stanley, and Karen Womack were the staff's Girl Fridays, specializing in feature writing. John Tyner assisted with sports writing and editing, while Eliot Gould handled all types of stories. Charles Anderson and Alan Rockman handled odd jobs.

And of course there was advisor Mrs. Schneidewind, who always had the final word.

As another year whizzed by, the Lyke staff again laughed, toiled (and cried) as we struggled to meet our deadlines and make something out of the mumble-jumble in the yearbook room.

The Lyke staff, under the leadership of Julie Goodman as editor and Mr. Husar as advisor, needed to work as a group of individuals, but more important, as a strong team. Together we hoped to create not only a yearbook of facts, faces and figures, but a yearbook filled with memories of the triumphs and glories of the students at West Covina High.

We sincerely hope that your Lyke will hold for you some of your favorite memories, to cherish and be proud of for many years to come.

A.S.B. PRESIDENT

As ASB President, Bob Bonar feels that his office is a service. Serving people seems to be Bob's own specialty. He belongs to Key Club and he works in a service station.

Bob was class president in his freshman, sophomore, and junior years here at West Covina. In junior high school he was elected a vice-president.

Bob has played on the J.V. Tennis team and last year he helped organize the Valentine's Ball.

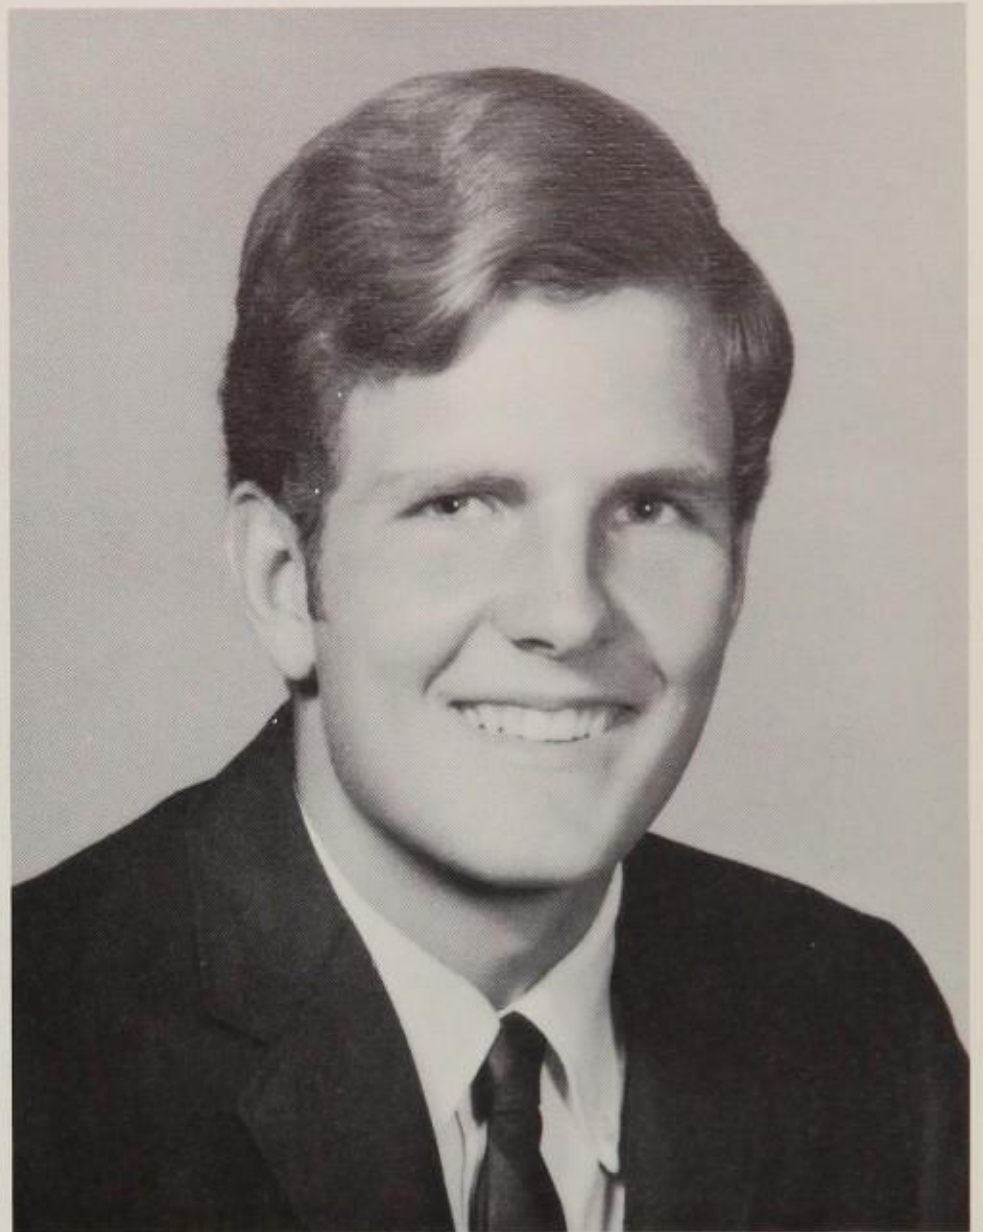

Bob contemplates school activities and ideas.

A.S.B.

VICE PRESIDENT

Vice President Russ Teal has always taken an active interest in school activities. In past years his many activities included Dress Council, Class Council, President's Council, CSF, and NFL. Last year Russ was such an outstanding debate student that he went to San Francisco and San Diego for debate tournaments.

This year Russ was in Key Club, CSF, Psychology Club, NFL, Dress Council, and Class Council, as well as being our ASB Vice President. His main duties as Vice President are running the legislature and helping the ASB President. Despite all of his extra-curricular activities, Russ managed to do a good job as our Vice President.

Russ dreams of the future.

A.S.B. CABINET

Steve Silverman-Public Relations

Careful thought went into the selection of President Bonar's cabinet. Cabinet members carry out duties for the student government and perform tasks which display their own abilities as well as benefit the students themselves. This twelve-man team rounds out the executive branch of the ASB government.

Sally Zitzmann worked closely with Legislature while performing her duties as Secretary of Activities. She was in charge of the Master Calendar, Inter-Club Council, and all student activities. All social functions had to receive Sally's seal of approval.

Entertaining while educating was handled by Steve Perram, Secretary of Assemblies. He planned, organized, and presented assembly programs as extra-curricular activities enjoyed by all Spartans.

Joanne Sechi was elected by the student body to serve as Secretary of Records. Her job entailed keeping the minutes of legislative meetings, as well as keeping track of all student body records.

School news was reported by Steve Silverman, as Secretary of Public Relations. He met deadlines for the San Gabriel Valley Tribune's "Teen Scene", as well as reporting our campus hap-

Eat, drink, and be merry at school functions, thanks to Diane Phillips. Being Secretary of Concessions, she handled the sale of food and drinks at various events.

Money matters were taken care of by Joan Ramsell, Secretary of Finance. Her signature appeared on ASB checks, and she was responsible for all school financial transactions. Her busy job was aided by the Assistant Financial Secretary, Karen Lindemann.

Darrel Trzeciak's initials appeared on all campus posters. Fulfilling his duties as Secretary of Publicity, he approved posters, arranged the marquee, and painted spirit banners.

Spartans were supplied by the student store, operated by Secretary of Student Sales Lois Crawford. She transacted all business before, during, and after school.

All year long these workers continued to make WCHS one of the area's finest schools.

LEGISLATORS

Thinking of ways to improve our school and granting special privileges, such as bermuda days, spirit week, Junior-Senior week, and Senior privileges are some of the main jobs of our 16-member legislature. Also included in their duties are deciding what machinery and equipment to buy next year, appropriating money from the A.S.B. funds, and discussing ways to promote spirit and attendance at all school activities. The four legislators for each class could be called the class presidents' right hand men, as they help him so much.

The purpose of N.F.L. is to teach poise and persuasiveness before an audience. Students also learn to look critically at both sides of an issue. DRESS COUNCIL

Three years ago, the Dress Council was first formed to share in all the fun (?) of creating a dress code. At least twice a year the Council meets with some members of the Administration to review the latest fads and fashions, decide which ones are appropriate for school, and to revise the last dress code. Dress council meetings are always announced and open for all students who wish to be heard on this subject.

GERMAN

Advisor: Mrs. Helmkamp

Customs and culture of a country, in addition to the study of its language, make up a complete knowledge of a nation. Germany has had a long and colorful history, and students of German benefitted by studying it and by joining the campus German club. Language instructress Mrs. Bernice Helmkamp and student President Carlos Wilken planned such typical German activities as the Oktoberfest (autumn festival) and a Weinachtsfest (Christmas festival).

Meetings were never boring and members were always active and ready to join in on the fun. German clubbers will be able to look back on the past year as a fruitful one.

FRENCH

Advisor: Mr. Gautreau

Parlez-vous français? If you do, chances are you were a member of French Club.

French Club had a lot of fun this past year. With the help of sponsors Mr. Gautreau and Miss Caterinichio members of French Club wrote a French newspaper which was full of French jokes, articles about how Mr. Gautreau and Miss Caterinichio conducted their French classes, articles by the students who went to France over the summer, and articles telling of funny class incidents.

The newspaper kept these students pretty busy, but they also found time for a car wash, a Christmas party, and a beach trip.

LATIN

Advisor: Mr. Mitchell

Among West Covina's many great clubs is its Latin Club. It has been on campus for several years now and anyone interested may join provided they are taking Latin. Throughout the year they stage many exciting events. In the spring, they hold a large banquet where the members come in their togas and other such attire. At this time the freshmen are sold as slaves. The banquet is enjoyed by all. Once in a while the club also put out a newspaper. All in all, it's a great club.

ADARIANS

Adarians is an honor and service organization consisting of only senior girls. The candidates are judged on citizenship, scholastic ability, and service to the school.

Included in their many services throughout the year were helping with the decorations for Hope House, and making and selling blue and white pennants with WCHS on them. The adarians also planned a pre-game dinner and a car wash in which they washed over one hundred cars. They have Secret Sisters with whom they exchange birthday and Christmas gifts.

Fidelitas is a junior-senior girls service club at West Covina High. It is one of the most active clubs on campus.

During football season they decorate the goal posts for every home game. They sell candied apples the week of the Covina game in order to make enough money to sponsor Spirit Week, a week long awaited by the Spartans. It is a week filled with activities which build up the school spirit for the biggest game of the season. After football season is over they decorate and serve at the big annual football banquet.

Aside from these activities they serve our school and community by ushering at adult night school, fixing a Thanksgiving dinner for a needy family, and making numerous trips to Hope House throughout the year.

PSYCHOLOGY CLUB

Psychology is defined as the science of the mind and also the science which tries to explain why people act, think, and feel as they do. By joining this club seniors not only had fun, but studied this field. So many students were interested in this field that Psychology Club became the largest club on campus.

During the year members of the club took a trip to Spadra, a trip to Norwalk, and also a snow trip. They invited speakers to come to the school to give demonstrations and to lecture, and they also planned a Christmas party. The large club really had a ball this past year.

FUTURE HOMEMAKERS OF AMERICA

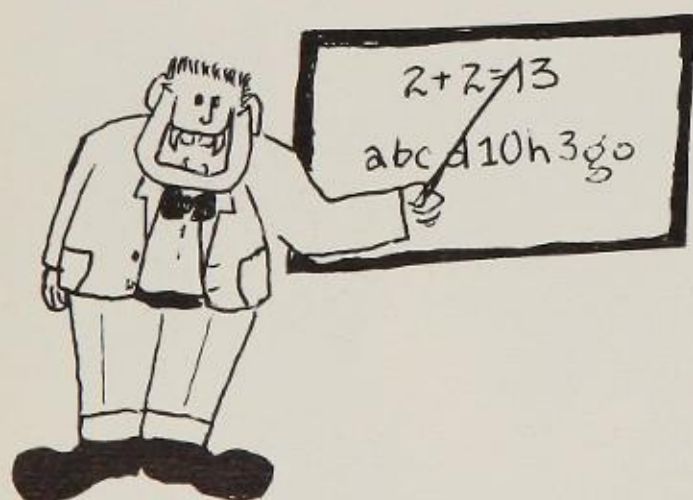

Advisor: Mrs. Fenoglio

"The woman's place is in the home" is indeed an old saying that still applies to this day and age. Preparing to become a good future homemaker is not an easy task, as each of the members of this small club found out. The girls in this club had activities which benefitted both themselves in life, and others around the community. They learned the necessary skills for cooking and sewing, and also learned about the problems in marriage and family living. These girls are indeed preparing themselves for the future in a very beneficial way.

"Education is the key to success." This statement is indeed one that applies to the members of this club. This year this club has grown to a larger size than it has ever been in the past few years. Among their activities of the year were trips to various universities and a Future Teachers of America Convention at U.S.C. If you are planning on becoming a teacher, you will want to take interest and join this club next year.

Art Club members also worked with the art classes preparing for the Thanksgiving, Christmas, Easter, and end-of-the-year parties.

PHOTOGS

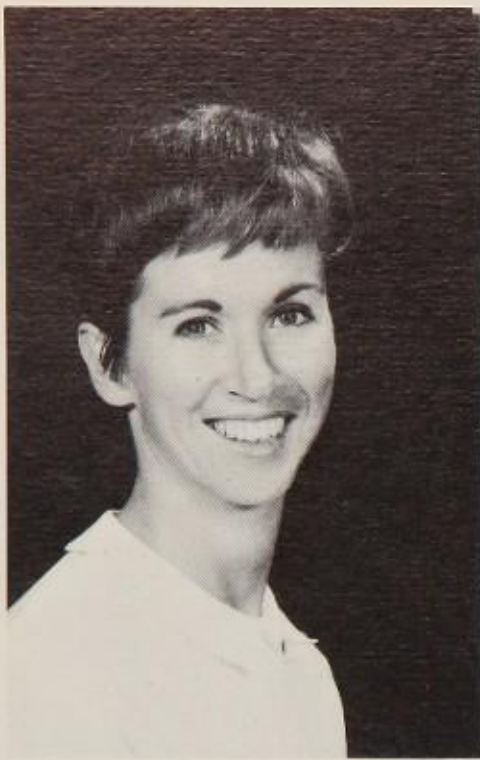

"Nobody move!" is a photographer's favorite sentence. The photogs kept pretty busy clicking picture after picture for the yearbook, and many of their pictures came out as good as a professional photographer's. All kids on campus have surely seen the photogs busily taking candid shots, and have tried to avoid their cameras. The Lyke staff owes many thanks to these shutterbugs.

Grace and imagination are the two key words for girls in West Covina High's Modern Dance Club. Girls in this club used so much imagination in making up their routines throughout the year, and they achieved the essential grace while performing them.

The Modern Dance girls performed their routines on several occasions, one of them being in the Continuity of the All-Girl Revue. Members of Modern Dance Club have taken, or are now taking, Modern Dance during their P.E. period, with Mrs. Mercer, who is also advisor to this club.

Schools were no limit for the Sound Foundation. As a result of their popularity they found themselves performing at the Coconut Grove, Dodger Stadium, all Saints Episcopal Church, YWCA, Rotary-Starks, Inter-community Hospital, in the Finian's Rainbow Contest, and in Baldwin Park.

GIRLS' LEAGUE

Without a doubt Girls' League is one of the most active clubs on campus. Every girl on campus belongs to this club from her freshman year on, and may be a house member if she wishes to try out.

Among the many activities sponsored by the club are the Hello Hop ending Hello Week, Big and Little Sister Day, the All-Girl Slumber Party, and the Senior Mothers Tea.

Because of its size, Girls' League is organized into a unique pattern. There are four houses, one for each class. Each house is then divided into four committies which are publicity, hospitality, decorations, and programs.

Each girl is kept busy throughout the year performing services for both the school and charity.

It is easy to see that Debbie Torosian, Girls' League President, indeed had a vast amount of chores, and spent many tired hours of preparation throughout the year, but found it was all worth the many headaches!

Y-TEENS

Y-Teens is a club whose services are in connection with the city of West Covina's YWCA.

The Y-Teens do many things each year such as helping to decorate floats for the Rose Parade and making the preparations for many other such events as these.

BAND

The West Covina Spartan's Marching Band has won many awards this year. Karl Ostenthaler, the Drum Major for the band won first place in the competition at the Camarrillo Rosemead in Santa Monica. Linda Page, took second place in the solo majorette division in the Christmas Parade in Camarrillo. The Flag Twirlers took first at the Westminster Founder Day Parade. The Band recieved a second place award at the Rosemead Halloween Parade, a second at Camarrillo, and a 3rd at Santa Monica.

FLAG BANNER MAJORETTES

Front: Wendy Klauda, Linda Woolfenden, Rosalinda Velasquez, Sherry Stanley, Judy Stidham, Debbie Uylak

West Covina High had two majorettes this year, Linda Page and Sue Frisbie. Linda, as our solo majorette, represented us at parades and other competitions, while both Linda and Sue performed at our football game half-time shows and our rallies. Along with the skill exhibited by these girls was the pride of being a Spartan, which certainly showed during their sparkling performances.

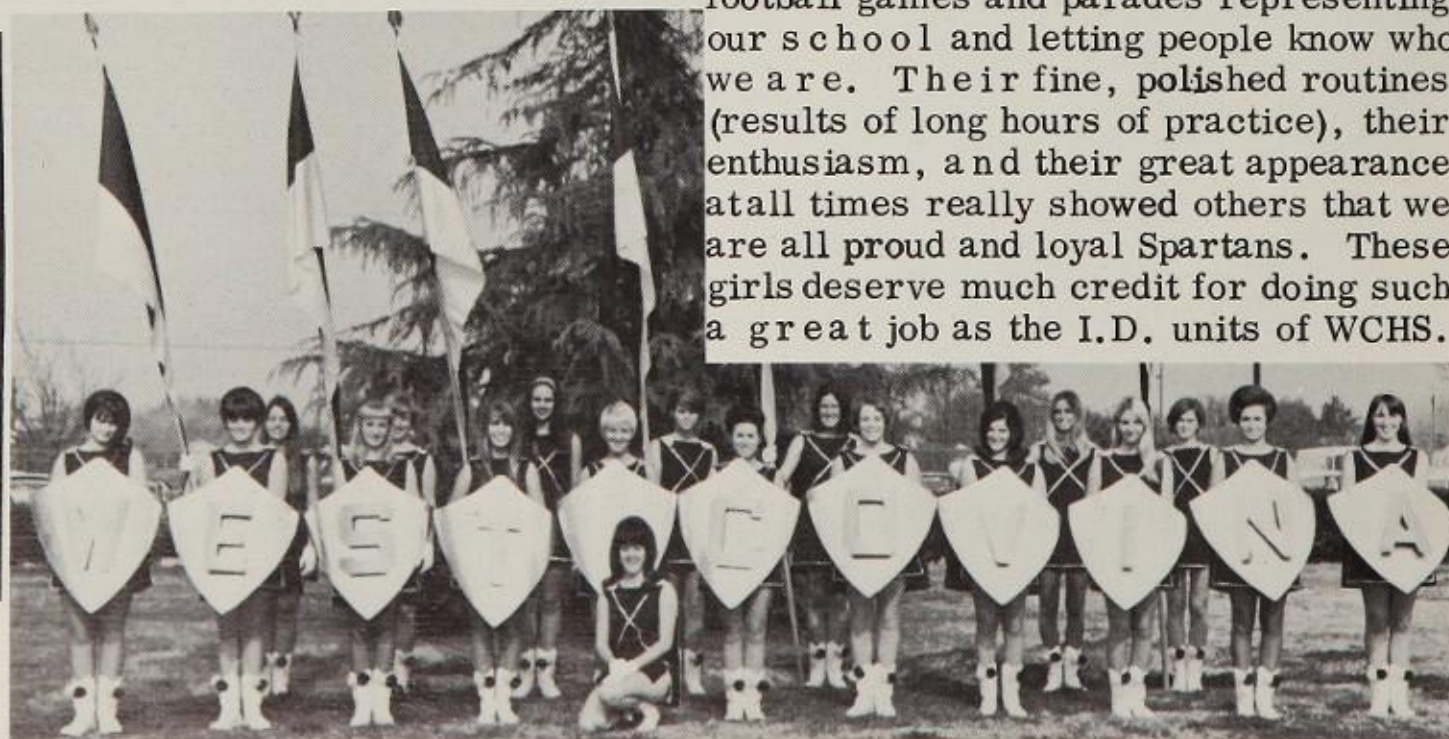

Linda Page, Sue Frisbie

Our flag twirlers play a double role--that of flag twirlers, and that of a drill team. Especially for this reason, they wanted to achieve perfection in everything they did--and they got it too!! Hours of practice at home and hours of practice with the band every morning not only gave them the perfection they were after, but also the honor of placing in a competition they entered in the fall. These girls deserve a lot of credit for their fine showmanship and enthusiasm which shall be long remembered in the hearts of Spartans.

Advisor: Mr. Barnhart

Our banner carriers were always at football games and parades representing our school and letting people know who we are. Their fine, polished routines (results of long hours of practice), their enthusiasm, and their great appearance at all times really showed others that we are all proud and loyal Spartans. These girls deserve much credit for doing such a great job as the I.D. units of WCHS.

MIXED CHORUS

This year the Music Dept. has really changed. In previous years there was a Girls' Concert Glee and a Mens' Glee. This year the Music Dept. has combined the two, making the Mixed Chorus. It takes talent and willingness to work together to make such a fine performing group. With these ingredients and the guiding hand of Mr. Jackson, the group director, the WCHS Mixed Chorus surpasses those of any other schools.

SKI CLUB

When the waves of the Pacific are no longer overflowing with bathers and the nip of the wind makes you bundle your coat a little closer, the reigning sport of the season is skiing. Through the years it has advanced in popularity and promises to urge everyone to "Think Snow!"

Since most of you people snuck in and don't belong to Ski Club we aren't putting names in.

CHESS CLUB

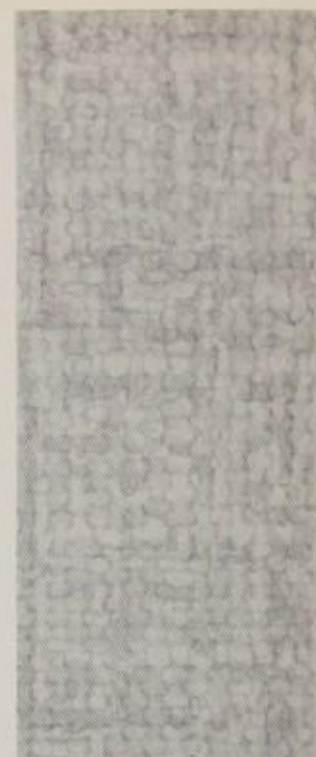

Advisor: Mr. Eves

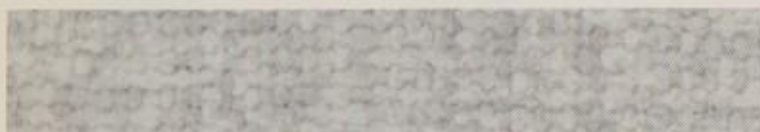

Do you know anything about a peso or a Bolivian five-cent stamp? If you do and are interested in collecting foreign coins or stamps, or you have a collection and wish to expand it, you should try joining the Coin and Stamp Club. On the other hand, if you like to "checkmate" people, or you want to learn how to play chess, you should give Chess Club a try. Besides competing with students from other schools, the Chess Club members compete among themselves to establish a number one player.

CALIFORNIA SCHOLARSHIP FEDERATION

The California Scholarship Federation is one of the largest organizations on our campus. Activities of CSF include one field trip each semester. This year as one of their field trips, members of CSF took a tour of the UCLA campus and then went to see a movie in Hollywood. Requirements for membership are strict enough to keep members studying . . . and studying . . . and studying!

ASTRONOMY CLUB

Randy Brown, Randy Hueser, Henry Clements, Chris Sefton, John Harmon, June Pettit, Kneeling: Ron Remba

Advisor: Mr. Stout

The mysteries of the universe are investigated by the Astronomy Club of West Covina High and its eight-inch telescope. Trips to the San Gabriel mountains each year give members field experience while lectures and planetarium trips answer the members' questions. Every two years, in May, the club journeys to Mount Palomar for all-night observations.

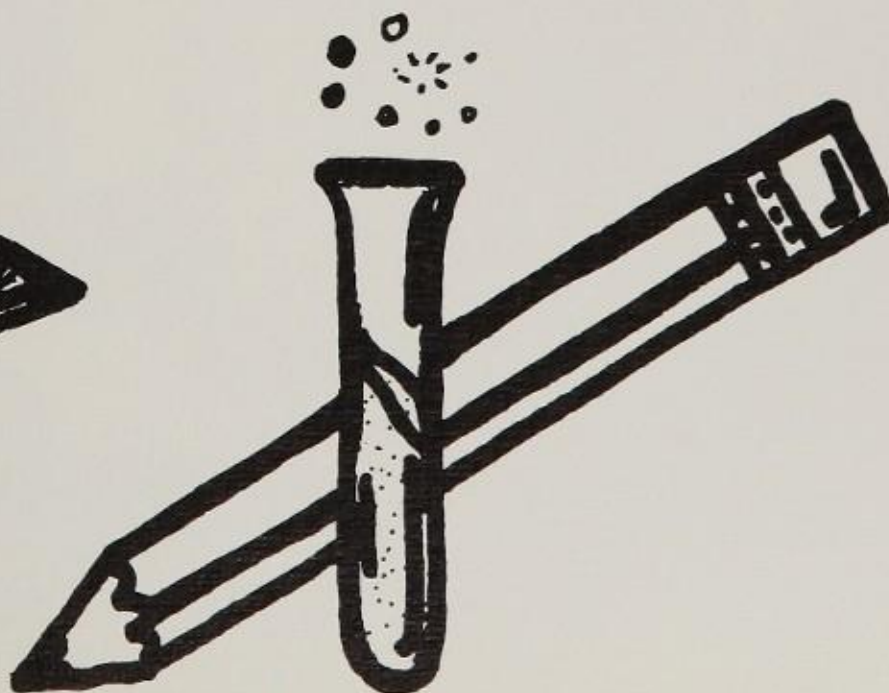

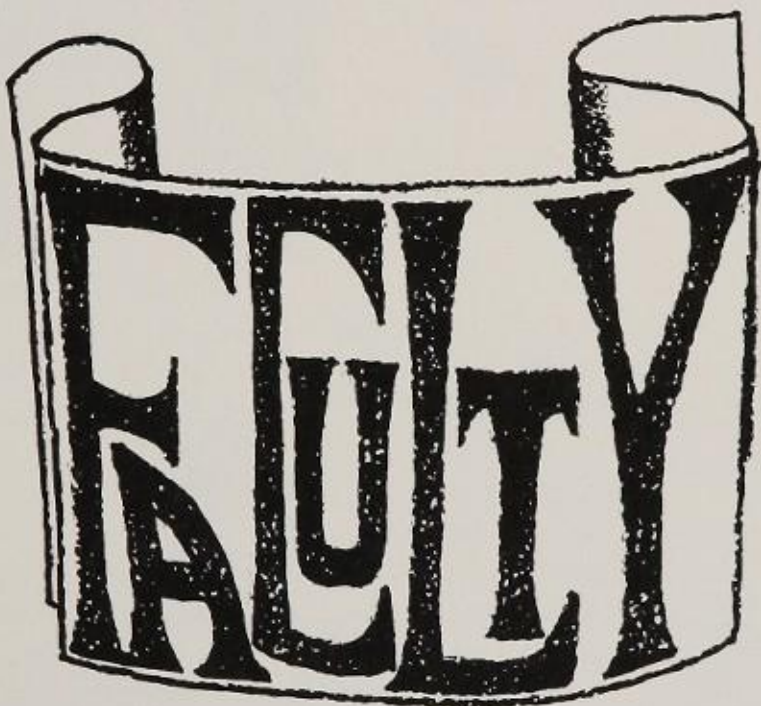

The radio club consists of a group of people who are primarily interested in knowing how a radio works and how to put one together. The radio club met in E-3 during club and put radios together. So if any of you need your radios fixed just go to E-3 during club and they'll be glad to fix it for you.

BOARD OF EDUCATION

Heading our district is the Board of Trustees, assisted by Clifford Thyberg. Many fail to realize the importance of the work these men do, but without them our school could not function properly. All teachers are selected by the Board of trustees, and it was they who appropriated the money which was spent repaving our campus this past year. Decisions, such as choosing our course of studies, allotting money for the operation of our school, and determining our school policies are a major task that the Board of Education undertakes and completes successfully.

CLIFFORD THYBERG Superintendent of Schools

Clifford S. Thyberg, Kenneth I. Chappell, Clayton Glass, James L. Miller, Joseph M. Michelson

PRINCIPAL

MR. JOHN CATALANO

The man on the job who cares, is the description of Mr. Catalano. If you are having a problem or have new ideas and changes for the school he is ready to listen. Not only does he listen, but he also really thinks about what the students want and need. In his first year as principal he has started an "open door policy" between students and administration in an attempt to do away with the lack of communication, and for betterment of the school.

Oh, you shouldn't have. . .

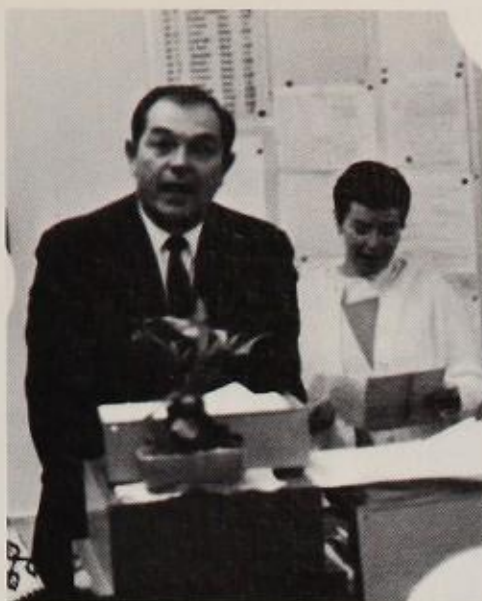

To act or not to act

MISS BARBARA BUCH

DEAN OF GIRL'S

"Pull your skirts down, gang!" is a phrase that seems to precede Miss Buch whenever she comes near a group of girls. Seriously, though, Miss Buch is really pretty understanding about the latest fads and fashions here at West Covina High. She really has quite a big job here at West Covina, and she manages to keep her office very orderly and calm. Students at WCHS owe her not only thanks, but much respect.

So you're the green phantom.

Oh!.... this popcorn.

BOYS DEAN

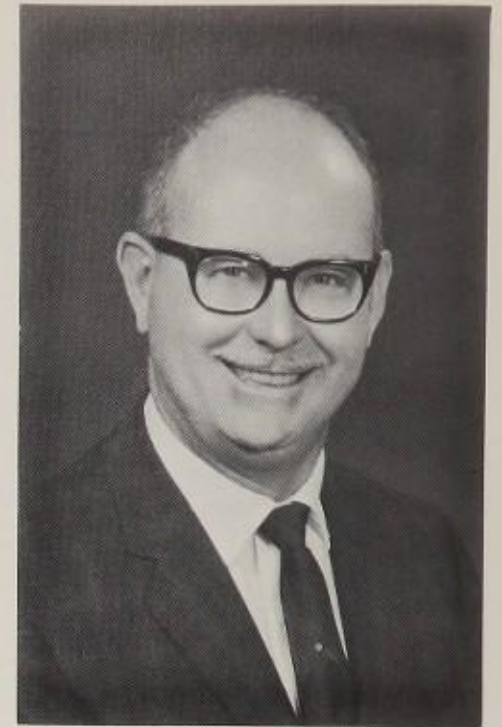

Students at West Covina welcomed a new face to the boys' principal's office this year. Mr. Thyne had double responsibility this year: he had to get used to the school and the way things are run here, and he had to help the boys with any problems they had developed during the year. Mr. Thyne really did a great job--not only in his duties, but in gaining the respect of the students here at WCHS.

COUNSELING

The counselors of WCHS are the people who own stock in the Excedrin company. But why not? They must use more than anyone else! Being members of the faculty is nothing compared to doing that secret work that goes on in the counseling office behind the closed doors. Seriously though, these men and women not only know about your grades, they do much social work and have many personal problems on file.

All during the nine months of school and even those months left for summer, the poor souls are kept busy helping everyone----from the many seniors down the twice-as-many freshmen. At the beginning of the year they try to hide their true feeling. But if you ever get a chance, just walk by the water cooler waste basket--you'll find it absolutely full of empty Excedrin bottles.

STUDENT STORE

Jan Aldrich, Student Store

A.S.B.

Larry Thorne, Director of Activities

Everyday at nutrition, both lunches and after school, hungry students rush to the windows of the student store. Not only candy but paperback books and school supplies are available to all students. To satisfy the wants of all the students on our campus takes a good staff and a great deal of work. Mrs. Aldrich the one you'll find behind this hectic activity, doing a marvelous job.

MRS. AGNES GORDON

"Mrs. Gordon, HELP!!" is a sentence that rings loud and clear through the office. With hundreds of people running through the office and just as many students to take care of, Mrs. Gordon has more than her share to do. But Mrs. Gordon has a lot of patience and always manages to keep things calm in the ASB office.

The ASB or S-2 door flies open and the usual phrase, "Where's Mr. Thorne?" is heard. This goes on from 7:30 a.m. until almost 5:00 p.m. Mr. Thorne tells us that no one is indispensable, but when his services are always in demand, you can call him indispensable. Mr. Thorne's many duties keep him on the go all day long.

CAFETERIA

The cheerful cafeteria workers are on the job early each morning preparing the food for nutrition and both lunch periods. This is no easy task to satisfy the appetites of herds of famished students, but they manage to do it day after day. We have the choice of a hot lunch in the cafeteria or sandwiches and snacks at the snack line outside. The ladies also prepare food for various out-of-school activities such as banquets and luncheons.

MAINTENANCE

As we all walk around campus throwing trash on the ground we should stop and think that our maintenance men must come behind us and pick it all up. This is just one of their jobs, but it is a major one. They fix bells, lights, and desks, as well as cleaning our classrooms and blackboards in the late night and early morning hours. They also water, weed, and mow our entire school property. Through their efforts we have a clean and neat school.

NURSE

Mary Livingston

Mrs. Livingston is really one of our indispensables. She is so concerned, helpful and patient with our moans, groans and illnesses whether real or of the hypochondriac type. We all think the world of her and appreciate what she does for us.

She is not allowed to treat major wounds or fractures or dispense medication, but her duties include excusing students from P.E., allowing really ill students to go home, and spotting the students who are faking it.

TEXT BOOK OFFICE

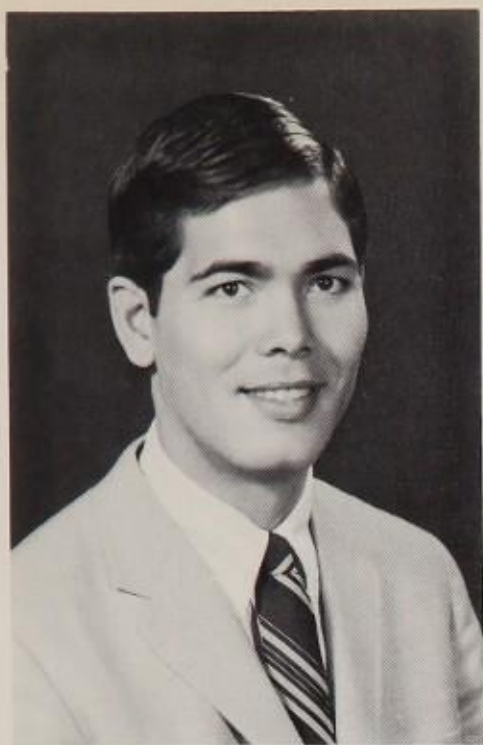

Mrs. Monteverde, Librarian

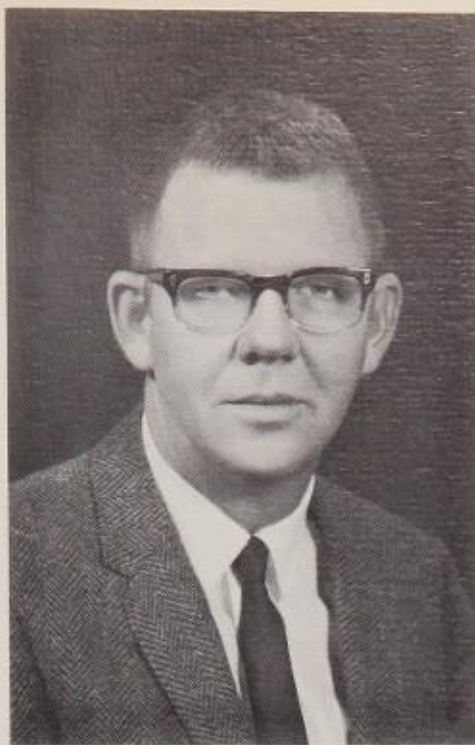

How many people realize that our head librarian, Mrs. Simone Monteverde, had as a prerequisite seven years of college before becoming the head librarian of our school. This in itself is quite an accomplishment. Her job is keeping an accurate account of our 15,000 and some library books. This also includes organizing, selecting, and classifying the entire collection. She also assists students by answering their questions regarding reading material and research assignments.

A Message From the Staff . . .

When the yearbook comes off the press, there is much excitement, for this is one of the highlights of the school year as everyone wants to see pictures of himself and his friends.

We've all worked long and hard and hope we have succeeded in assembling for you a record that will forever remind you of this school year. If you find a mistake, just consider it is there for a purpose. We tried to publish something for everyone, including those who are always looking for mistakes.

To those who will not be back next year . . . good luck and God speed; to the rest, another good year.

RESERVED FOR SOMEONE SPECIAL

Dear Jack,

I am really glad I met you. We've really had some autosite times together.

I am going to miss you alot Jack. But I'll have alot of good things to remember, also I'll have alot of really good things to look forward to.

I've never been this serious with anyone before. I am serious!! I want you to know that. You mean more to me than anyone I've met before.

I'll never forget you, Jack no matter what.

No matter how hard things get I'll never give up.

I love you Jack.

I always will.

Forever Love,
Joan

AFTER NINE

DAYS OF RAIN. . .

SWAN SONG

As this wonderful year ends, I think of the many things that have happened since the yearbook banquet last May when it was announced that I had been selected Editor of the Yearbook.

There is, of course, always the mad rush as a deadline draws near and pictures are still to be taken . . . and what do you know, it rains. Somehow we managed to pull through, like the mail, rain, fog, missing people, or whatever.

My staff was great and as the saying goes, 'I couldn't have done it without them'. All kidding aside, they've been wonderful, co-operative, and helpful. Thanks a lot gang, I appreciate everything that each and every one of you has done to help me.

I gave much thought to the theme for this 1969 Lyke and Reflections seemed to be exactly how I feel about a yearbook . . . a collection of memories . . . dreams . . . Reflections.

And now in closing I hope the '69 Lycurgen will bring back happy reflections of the past year and that you will all enjoy it as much as I enjoyed bringing it to you.

*Love,
Julie*
